1.0 Introduction

1.1 Purpose

This Master Special Assessment Methodology Report (the “Report”) was developed to provide a master financing plan and a master special assessment methodology for the Stonewater Community Development District (the “District”), located in City of Cape Coral, Lee County, Florida, as related to funding the costs of the acquisition and construction of public infrastructure improvements contemplated to be provided by the District.

1.2 Scope of the Report

This Report presents projections for financing the District’s public infrastructure improvements (the “Project”) as described in the Master Engineer’s Report of Barraco and Associates, Inc. dated March 1, 2021 (the “Engineer’s Report”), as well as describes the method for the allocation of special benefits and the apportionment of special assessment debt resulting from the provision and funding of the Project.

1.3 Special Benefits and General Benefits

Improvements undertaken and funded by the District as part of the Project create special and peculiar benefits, different in kind and degree than general benefits, for properties within its borders as well as general benefits to the public at large. However, as discussed within this Report, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits which accrue to property within the District. The District’s Project enables properties within its boundaries to be developed.

There is no doubt that the general public, property owners, and property outside the District will benefit from the provision of the Project. However, these benefits are only incidental since the Project is designed solely to provide special benefits peculiar to property within the District. Properties outside the District are not directly served by the Project and do not depend upon the Project to obtain or to maintain their development entitlements. This fact alone clearly distinguishes the special benefits which District properties receive compared to those lying outside of the District’s boundaries.

The Project will provide infrastructure and improvements which are all necessary in order to make the lands within the District developable and saleable. The installation of such improvements will cause the value of the developable and saleable lands within the District to increase by more than the sum of the financed cost of the individual components of the Project. Even though the exact value of the benefits provided by the Project is hard to estimate at this point, it is without doubt greater than the costs associated with providing same.

1.4 Organization of the Report

Section Two describes the development program as proposed by the Developer, as defined below.

Section Three provides a summary of the Project as determined by the District Engineer.

Section Four discusses the current financing program for the District.

Section Five discusses the special assessment methodology for the District.

2.0 Development Program

2.1 Overview

The District serves the Stonewater development (the "Development" or "Stonewater"), a master planned, residential development located in in City of Cape Coral, Lee County, Florida. The land within the District consists of approximately 184.82 +/- acres and is generally located west of Nelson Road N, south of Tropicana Parkway W, east of the Mariner High School, and generally south of Embers Parkway W.

2.2 The Development Program

The development of Stonewater is anticipated to be conducted by DR Horton, Inc. or its associates (the "Developer"). Based upon the information provided by the Developer, the current development plan envisions a total of 327 Single-Family residential units developed in two (2) phases, although land use types and unit numbers may change throughout the development period. Table 1 in the *Appendix* illustrates the development plan for the District.

3.0 The Project

3.1 Overview

The public infrastructure costs to be funded by the District are described by the District Engineer in the Engineer's Report. Only public infrastructure that may qualify for bond financing by the District under Chapter 190, Florida Statutes and under the Internal Revenue Code of 1986, as amended, was included in these estimates.

3.2 Project

The Project needed to serve the Development is projected to consist of drainage and surface water management system, onsite roadways, including hardscape and landscaping as roadway entry features, as well as on-side utilities, all as set forth in more detail in the Engineer's Report.

All of the infrastructure included in the Project will comprise an interrelated system of improvements, which means that all of the improvements will serve the entire District and all improvements will be interrelated such that they will reinforce one another. At the time of this writing, the total costs of the Project are estimated at \$10,913,008. Table 2 in the *Appendix* illustrates the specific components of the Project and their costs.

4.0 Financing Program

4.1 Overview

As noted above, the District is embarking on a program of capital improvements which will facilitate the development of lands within the District. Generally, construction of public improvements is either funded by the Developer and then acquired by the District or funded directly by the District. The choice of the exact mechanism for providing public infrastructure has not yet been made at the time of this writing, and the District may either acquire the public infrastructure from the Developer or construct it, or even partly acquire it and partly construct it.

Even though the actual financing plan may change to include multiple series of bonds, it is likely that in order to fully fund the costs of the Project as described in *Section 3.2* in one financing transaction, the District would have to issue approximately

\$14,180,000 in par amount of special assessment bonds (the "Bonds").

Please note that the purpose of this Report is to allocate the benefit of the Project to the various land uses in the District and based on such benefit allocation to apportion the maximum debt necessary to fund the Project. The discussion of the structure and size of the indebtedness is based on various estimates and is subject to change.

4.2 Types of Bonds Proposed

The proposed financing plan for the District provides for the issuance of the Bonds in the principal amount of \$14,180,000 to finance Project costs at \$10,913,008. The Bonds as projected under this master financing plan would be structured to be amortized in 30 annual installments following a 24-month capitalized interest period. Interest payments on the Bonds would be made every May 1 and November 1, and principal payments on the Bonds would be made every November 1.

In order to finance the improvement costs, the District would need to borrow more funds and incur indebtedness in the total amount of \$14,180,000. The difference is comprised of debt service reserve, capitalized interest, and costs of issuance, including the underwriter's discount. Preliminary sources and uses of funding for the Bonds are presented in Table 3 in the *Appendix*.

Please note that the structure of the Bonds as presented in this Report is preliminary and may change due to changes in the development program, market conditions, timing of infrastructure installation as well as for other reasons. The District maintains complete flexibility as to the structure of the Bonds and reserves the right to modify it as necessary.

5.0 Assessment Methodology

5.1 Overview

The issuance of the Bonds provides the District with funds necessary to construct/acquire the infrastructure improvements which are part of the Project outlined in *Section 3.2* and described in more detail by the District Engineer in the Engineer's Report. These improvements lead to special and general benefits, with special benefits accruing to properties within the boundaries of the

District. General benefits accrue to areas outside the District, but are only incidental in nature. The debt incurred in financing the public infrastructure will be secured by assessing properties that derive special and peculiar benefits from the Project. All properties that receive special benefits from the Project will be assessed for their fair share of the debt issued in order to finance the Project.

5.2 Benefit Allocation

The current development plan for the District envisions the development of a total of 327 Single-Family residential units developed in two (2) phases, although unit numbers and land use types may change throughout the development period.

The public infrastructure included in the Project will comprise an interrelated system of improvements, which means that all of the improvements will serve the entire District and such public improvements will be interrelated such that they will reinforce each other and their combined benefit will be greater than the sum of their individual benefits. All of the land uses within the District will benefit from each infrastructure improvement category, as the improvements provide basic infrastructure to all land within the District and benefit all land within the District as an integrated system of improvements.

As stated previously, the public infrastructure improvements included in the Project have a logical connection to the special and peculiar benefits received by the land within the District, as without such improvements, the development of the properties within the District would not be possible. Based upon the connection between the improvements and the special and peculiar benefits to the land within the District, the District can assign or allocate a portion of the District's debt through the imposition of non-ad valorem assessments, to the land receiving such special and peculiar benefits. Even though these special and peculiar benefits are real and ascertainable, the precise amount of the benefit cannot yet be calculated with mathematical certainty. However, such benefit is more valuable than the cost of, or the actual non-ad valorem assessment amount levied on that parcel.

This Report proposes to allocate the benefit associated with the Project uniformly to all 327 Single-Family residential units proposed to be developed in the District by assigning all units a uniform Equivalent Residential Unit ("ERU") value of 1, based on the reasonably anticipated identical density of development of and intensity of use of infrastructure by all Single-Family units. Table 4

in the *Appendix* illustrates the uniform ERU weight that is proposed to be assigned to the Single-Family residential units and the total ERU count, which at 327 is identical to the total unit count.

The rationale behind the uniform ERU weight is supported by the fact that generally and on average units of identical product type can be reasonably expected to use and benefit from the District's public infrastructure improvements about the same, as generally and on average all units of identical product type will need about the same water and sewer capacity and will produce about the same amount of storm water runoff. Additionally, the value of units of identical product type is likely to appreciate about the same in terms of dollars as a result of the implementation of the Project. As the exact amount of the benefit and appreciation is not possible to be calculated at this time, the use of the uniform ERU measure serves as a reasonable approximation of the uniform relative amount of benefit received by all units contemplated to be developed within the District from the District's improvements.

Table 5 in the *Appendix* presents the apportionment of the assessment associated with the Bonds (the "Bond Assessment") to the Single-Family residential units contemplated to be developed within the District in accordance with the ERU benefit allocation method presented in Table 4. Table 5 also presents the annual levels of the Bond Assessment annual debt service assessments per unit.

No Bond Assessment is allocated herein to the private amenities or other common areas planned for the development. Such amenities and areas will be owned and operated by a master homeowner's association, will be available for use by all of the residents of the District, and are considered a common element for the exclusive benefit of lot owners. Accordingly, any benefit to the amenities and common areas flows directly to the benefit of all platted lots in the District. As such, no Bond Assessment will be assigned to the amenities and common areas.

5.3 Assigning Bond Assessment

As the land in the District is not yet platted for its intended final use and the precise location of the various product types by lot or parcel is unknown, the Bond Assessment will initially be levied on all of the land in the District on an equal pro-rata gross acre basis and thus the total bonded debt in the amount of \$14,180,000 will be preliminarily levied on approximately 184.82 +/- gross acres at a rate of approximately \$76,723.30 per gross acre.

When the land is platted, the Bond Assessment will be allocated to each platted parcel on a first platted-first assigned basis based on the planned use for that platted parcel as reflected in Table 5 in the *Appendix*. Such allocation of Bond Assessment from unplatted gross acres to platted parcels will reduce the amount of Bond Assessment levied on unplatted gross acres within the District.

In the event unplatted land (the “Transferred Property”) is sold to a third party not affiliated with the Developer, the Bond Assessment will be assigned to such Transferred Property at the time of the sale based on the maximum total number of ERUs assigned by the Developer to that Transferred Property, subject to review by the District’s methodology consultant, to ensure that any such assignment is reasonable, supported by current development rights and plans, and otherwise consistent with this Report. The owner of the Transferred Property will be responsible for the total Bond Assessment applicable to the Transferred Property, regardless of the total number of ERUs ultimately actually platted. This total Bond Assessment is fixed to the Transferred Property at the time of the sale. If the Transferred Property is subsequently sub-divided into smaller parcels, the total Bond Assessment initially allocated to the Transferred Property will be re-allocated to the smaller parcels pursuant to the Methodology as described herein (i.e. equal assessment per acre until platting).

5.4 Lienability Test: Special and Peculiar Benefit to the Property

As first discussed in *Section 1.3*, Special Benefits and General Benefits, improvements undertaken by the District create special and peculiar benefits to certain properties within the District. The District's improvements benefit assessable properties within the District and accrue to all such assessable properties on an ERU basis.

Improvements undertaken by the District can be shown to be creating special and peculiar benefits to the property within the District. The special and peculiar benefits resulting from each improvement are:

- a. added use of the property;
- b. added enjoyment of the property;
- c. decreased insurance premiums; and
- d. increased marketability and value of the property.

The improvements which are part of the Project make the land in the District developable and saleable and when implemented jointly as parts of the Project, provide special and peculiar benefits which are greater than the benefits of any single category of improvements. These special and peculiar benefits are real and ascertainable, but not yet capable of being calculated and assessed in terms of numerical value; however, such benefits are more valuable than either the cost of, or the actual assessment levied for, the improvement or debt allocated to the parcel of land.

5.5 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay

A reasonable estimate of the proportion of special and peculiar benefits received by the Single-Family product type from the improvements is delineated in Table 4 (expressed as the ERU factor) in the *Appendix*.

The apportionment of the assessments is fair and reasonable because it was conducted on the basis of consistent application of the methodology described in *Section 5.2* across all assessable property within the District according to reasonable estimates of the special and peculiar benefits derived from the Project.

Accordingly, no acre or parcel of property within the District will be lienied for the payment of any non-ad valorem special assessment more than the determined special benefit peculiar to that property.

5.6 True-Up Mechanism

The Assessment Methodology described herein is based on conceptual information obtained from the Developer prior to construction. As development occurs it is possible that the number of ERUs may change. The mechanism for maintaining the methodology over the changes is referred to as true-up.

This mechanism is to be utilized to ensure that the Bond Assessment on a per ERU basis never exceeds the initially allocated assessment as contemplated in the adopted assessment methodology. Bond Assessment per ERU preliminarily equals \$43,363.91 (\$14,180,000 in Bond Assessment divided by 327 ERUs) and may change based on the final bond sizing. If such changes occur, the Methodology is applied to the land based on the number of and type of units of particular product type within each and every parcel as signified by the number of ERUs.

As the land in the District is platted, the Bond Assessment is assigned to platted parcels based on the figures in Table 5 in the *Appendix*. If as a result of platting and apportionment of the Bond Assessment to the platted parcels, the Bond Assessment per ERU for land that remains unplatted remains equal to \$43,363.91, then no true-up adjustment will be necessary.

If as a result of platting and apportionment of the Bond Assessment to the platted parcels the Bond Assessment per ERU for land that remains unplatted equals less than \$43,363.91 (for instance as a result of a larger number of units) then the per ERU Bond Assessment for all parcels within the District will be lowered if that state persists at the conclusion of platting of all land within the District.

If, in contrast, as a result of platting and apportionment of the Bond Assessment to the platted parcels, the Bond Assessment per ERU for land that remains unplatted equals more than \$43,363.91¹ (for instance as a result of a smaller number of units), taking into account any future development plans for the unplatted lands – in the District's sole discretion and to the extent such future development plans are feasible, consistent with existing entitlements and governmental requirements, and reasonably expected to be implemented, then the difference in Bond Assessment plus accrued interest will be collected from the owner(s) of the property which platting caused the increase of assessment per ERU to occur, in accordance with the assessment resolution and/or a true-up agreement to be entered into between the District and the Developer, which will be binding on assignees.

The owner(s) of the property will be required to immediately remit to the Trustee for redemption a true-up payment equal to the difference between the actual Bond Assessment per ERU and \$43,363.91, multiplied by the actual number of ERUs plus accrued interest to the next succeeding interest payment date on the Bonds, unless such interest payment date occurs within 45 days of such true-up payment, in which case the accrued interest shall be paid to the following interest payment date (or such other time as set forth in the supplemental indenture for the applicable series of Bonds secured by the Bond Assessment).

¹ For example, if the first platting includes 50 Single-Family lots, which equates to a total allocation of \$2,168,195.72 in Bond Assessment, then the remaining unplatted land would be required to absorb 277 Single-Family lots, or \$12,011,804.28 in Bond Assessment. If the remaining unplatted land would only be able to absorb 269 Single-Family lots, or \$11,664,892.97 in Bond Assessment, then a true-up, payable by the owner of the unplatted land, would be due in the amount of \$346,911.31 in Bond Assessment plus accrued interest.

In addition to platting of property within the District, any planned sale of an unplatted parcel to another builder or developer will cause the District to initiate a true-up test as described above to test whether the amount of the Bond Assessment per ERU for land that remains unplatted within the District remains equal to \$43,363.91. The test will be based upon the development rights as signified by the number of ERUs associated with such parcel that are transferred from seller to buyer. The District shall provide an estoppel or similar document to the buyer evidencing the amount of Bond Assessment transferred at sale.

5.7 Preliminary Assessment Roll

Based on the per gross acre assessment proposed in Section 5.2, the Bond Assessment of \$14,180,000 is proposed to be levied uniformly over the area described in Exhibit "A". Excluding any capitalized interest period, debt service assessment shall be paid in thirty (30) annual installments.

5.8 Additional Items Regarding Bond Assessment Imposition and Allocation

This master assessment allocation methodology is intended to establish, without the need for a further public hearing, the necessary benefit and fair and reasonable allocation findings for a master assessment lien, which may give rise to one or more individual assessment liens relating to individual bond issuances necessary to fund all or a portion of the project(s) referenced herein. All such liens shall be within the benefit limits established herein and using the allocation methodology described herein, and shall be described in one or more supplemental reports.

As set forth in any supplemental report, and for any particular bond issuance, the land developer may opt to "buy down" the Bond Assessment on particular product types and/or lands using a contribution of cash, infrastructure or other consideration, and in order for Bond Assessment to reach certain target levels. Note that any "true-up," as described herein, may require a payment to satisfy "true-up" obligations as well as additional contributions to maintain such target assessment levels. Any amounts contributed by the developer to pay down Bond Assessments will not be eligible for "deferred costs," if any are provided for in connection with any particular bond issuance.

In the event that the CIP is not completed, required contributions are not made, additional benefitted lands are added to the District

and/or assessment area(s), or under certain other circumstances, the District may elect to reallocate the special assessments, and the District expressly reserves the right to do so, provided however that any such reallocation shall not be construed to relieve any party of contractual or other obligations to the District.

WHEREAS, Stonewater Community Development District (the “District”) is authorized by Florida Statutes, Chapter 190 (the “Act”) and Ordinance No. 79-20 of City of Cape Coral, Florida, (the “Ordinance”), to issue its bonds for the purpose of acquiring and constructing assessable improvements all as provided in the Act and the Ordinance; and

WHEREAS, the District is authorized by the Act to make payments of principal, interest, and premium, if any, with respect to its bonds by levying and collecting special assessments on property located within the District and specially benefited by the assessable improvements to be financed with certain proceeds of its bonds; and

WHEREAS, the District pursuant to its Resolution 2021-25 (the “First Bond Resolution”) authorized the issuance of its not exceeding \$13,500,000 principal amount of its special assessment revenue bonds (the “Bonds”) in separate series for the purposes set forth in said First Bond

Resolution and approved the form of the Master Indenture (hereinafter defined) in substantially the form attached to the First Bond Resolution; and

WHEREAS, the Bonds were validated by final judgment of the Circuit Court in and for Lee County, Florida, and the appeal period from such final judgment has expired with no appeal being filed; and

WHEREAS, the District has not previously issued any of the Bonds; and

WHEREAS, the District now desires to supplement the First Bond Resolution, to authorize the issuance of and award the sale of its Special Assessment Revenue Bonds, Series 2021 (the “Series 2021 Bonds”) in a principal amount not exceeding \$8,000,000, to approve the Supplemental Indenture (hereinafter defined) and to provide for various other matters relating to the issuance of the Series 2021 Bonds; and

WHEREAS, the Board of Supervisors of the District (the “Board”) has received from FMSbonds, Inc. (the “Underwriter”) a proposal in the form of a Bond Purchase Contract (the “Contract”) for the purchase of the Series 2021 Bonds and the Board has determined that acceptance of such proposal and the sale of the Series 2021 Bonds to the Underwriter is in the best interest of the District for the reasons hereafter indicated;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF STONEWATER COMMUNITY DEVELOPMENT DISTRICT, as follows:

SECTION 1. Definitions. All words and phrases used herein in capitalized form, unless otherwise defined herein, shall have the meaning ascribed to them in the Indenture (hereinafter defined).

SECTION 2. Authorization. There is hereby authorized to be issued the Series 2021 Bonds in a principal amount not exceeding \$8,000,000. The Series 2021 Bonds shall be issued under and secured by that Master Trust Indenture in substantially the form approved by the First Bond Resolution (the “Master Indenture”) as supplemented by that First Supplemental Trust Indenture (the “Supplemental Indenture”) both by and between the District and U.S. Bank National Association, as trustee (the “Trustee”) (the Master Indenture and the Supplemental Indenture are referred to collectively as the “Indenture”). The proceeds of the Series 2021 Bonds shall be used for the purposes set forth in the Supplemental Indenture and the Limited Offering Memorandum (hereinafter defined).

SECTION 3. Approval of Supplemental Indenture. The Supplemental Indenture is hereby approved in substantially the form set forth as part of **Exhibit A** hereto and the Chairperson or the Vice Chairperson of the Board are hereby authorized and directed to execute and deliver such Supplemental Indenture on behalf of and in the name of the District and the Secretary or any Assistant Secretary of the Board is hereby authorized to attest such execution, with such additions and deletions therein as may be made and approved by the Chairperson or the Vice Chairperson executing the same, such execution to be conclusive evidence of such approval. The Trustee is hereby appointed to serve as Trustee, Bond Registrar and Paying Agent under such Supplemental Indenture.

SECTION 4. Negotiated Sale. The Board hereby determines that a negotiated sale of the Series 2021 Bonds to the Underwriter is in the best interest of the District because of prevailing market conditions, because delays caused by soliciting competitive bids could adversely affect the District's ability to issue and deliver the Series 2021 Bonds at presently favorable interest rates, and because the nature of the security for the Series 2021 Bonds and the sources of payment of debt service on the Series 2021 Bonds require the participation of an underwriter in structuring the bond issue.

SECTION 5. Contract Approved. The Board hereby approves the Contract submitted by the Underwriter in substantially the form attached as **Exhibit B** hereto. The Chairperson or Vice Chairperson of the Board is hereby authorized to execute the Contract and to deliver the Contract to the Underwriter with such changes, amendments, modifications, omissions and additions as may be approved by the executing Chairperson or Vice Chairperson; provided that (i) the principal amount of the Series 2021 Bonds shall not exceed \$8,000,000; (ii) the arbitrage yield on the Series 2021 Bonds will exceed four and one half percent (4.5%); (iii) the Underwriter's discount shall not exceed two percent (2.0%) of the principal amount of the Series 2021 Bonds; (iv) if the Series 2021 Bonds are subject to optional redemption, which determination will be made on or before the sale date of the Series 2021 Bonds, the first optional call date and the redemption price shall be as set forth in the Contract; and (v) the final maturity of the Series 2021 Bonds shall be no later than the maximum maturity allowed under applicable Florida law.

SECTION 6. Preliminary Limited Offering Memorandum and Limited Offering Memorandum. The District hereby approves the Preliminary Limited Offering Memorandum in substantially the form attached hereto as **Exhibit C** (the "Preliminary Limited Offering Memorandum") and authorizes its distribution and use by the Underwriter in connection with the offering for the sale of the Series 2021 Bonds. If between the date hereof and the mailing of the Preliminary Limited Offering Memorandum it is necessary to make insertions, modifications and changes to the Preliminary Limited Offering Memorandum, the Chairperson or Vice Chairperson is hereby authorized to approve such insertions, changes and modifications, and, the Chairperson or Vice Chairperson is hereby authorized to deem the Preliminary Limited Offering Memorandum "final" within the meaning of Rule 15c2-12 of the Securities and Exchange Commission (the "Rule") under the Securities Exchange Act of 1934, in the form as mailed and in furtherance thereof to execute a certificate evidencing same. The preparation of a final Limited Offering Memorandum is hereby approved and the Chairperson or Vice Chairperson is hereby authorized to execute such final Limited Offering Memorandum to be dated the date of the award of the Series 2021 Bonds and, upon such award, to deliver the same to the Underwriter for use by it in connection with the sale and distribution of the Series 2021 Bonds. The Limited Offering Memorandum shall be substantially in the form of the final Preliminary Limited Offering Memorandum, with such changes as shall be approved by the Chairperson or Vice Chairperson as necessary to conform to the details of the Series 2021 Bonds and such other insertions, modifications and changes as may be approved by the Chairperson or Vice Chairperson. The execution and delivery of the Limited Offering Memorandum by the Chairperson or Vice Chairperson shall constitute evidence of the approval thereof. The District hereby authorizes the use of the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum and the information contained therein in connection with the offering and sale of the Series 2021 Bonds.

SECTION 7. Form of Series 2021 Bonds. The Series 2021 Bonds shall be substantially in the form set forth as **Exhibit B** to this First Supplemental Indenture. Each Series 2021 Bond shall bear the designation “2021” and be numbered consecutively from 1 upwards.

The Series 2021 Bonds shall be initially issued in the form of a separate single certificated fully registered Series 2021 Bond for each maturity of Series 2021 Bonds. Upon initial issuance, the ownership of such Series 2021 Bond shall be registered in the registration books kept by the Bond Registrar in the name of Cede & Co., as Nominee of The Depository Trust Company, New York, New York (“DTC”), the initial Bond Depository. Except as provided in this Section 201, all of the Outstanding Series 2021 Bonds shall be registered in the registration books kept by the Bond Registrar in the name of Cede & Co., as Nominee of DTC.

With respect to Series 2021 Bonds registered in the registration books kept by the Bond Registrar in the name of Cede & Co., as Nominee of DTC, the District, the Trustee, the Bond Registrar and the Paying Agent shall have no responsibility or obligation to any such Bond Participant or to any Beneficial Owner. Without limiting the immediately preceding sentence, the District, the Trustee, the Bond Registrar and the Paying Agent shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any Bond Participant with respect to any ownership interest in the Series 2021 Bonds, (ii) the delivery to any Bond Participant or any other person other than an Owner, as shown in the registration books kept by the Bond Registrar, of any notice with respect to the Series 2021 Bonds, including any notice of redemption, or (iii) the payment to any Bond Participant or any other person, other than an Owner, as shown in the registration books kept by the Bond Registrar, of any amount with respect to principal of, premium, if any, or interest on the Series 2021 Bonds. The District, the Trustee, the Bond Registrar and the Paying Agent may treat and consider the person in whose name each Series 2021 Bond is registered in the registration books kept by the Bond Registrar as the absolute owner of such Series 2021 Bond for the purpose of payment of principal, premium and interest with respect to such Series 2021 Bond, for the purpose of giving notices of redemption and other matters with respect to such Series 2021 Bond, for the purpose of registering transfers with respect to such Series 2021 Bond, and for all other purposes whatsoever. No person other than an Owner, as shown in the registration books kept by the Bond Registrar, shall receive a certificated Series 2021 Bond evidencing the obligation of the District to make payments of principal, premium, if any, and interest pursuant to the provisions hereof. Upon receipt by the Trustee or the District of written notice from DTC: (i) confirming that DTC has received written notice from the District to the effect that a continuation of the requirement that all of the Outstanding Series 2021 Bonds be registered in the registration books kept by the Bond Registrar in the name of Cede & Co., as Nominee of DTC, is not in the best interest of the Beneficial Owners of the Series 2021 Bonds or (ii) to the effect that DTC is unable or unwilling to discharge its responsibilities and no substitute Bond Depository willing to undertake the functions of DTC hereunder can be found which is willing and able to undertake

such functions upon reasonable and customary terms, the Series 2021 Bonds shall no longer be restricted to being registered in the registration books kept by the Bond Registrar in the name of Cede & Co., as nominee of DTC, but may be registered in whatever name or names the Beneficial Owners shall designate, in accordance with the provisions hereof and of the Master Indenture.

Section 403. 2021 Acquisition and Construction Account.

(a) Amounts on deposit in the 2021 Acquisition and Construction Account shall be applied to pay the Costs of the 2021 Project upon presentment to the Trustee of a properly signed requisition in substantially the form of Exhibit B, and the Trustee shall pay such requisition and shall have no duty to confirm that the amount so requisitioned is for a Cost of the 2021 Project or is properly payable hereunder.

(b) Any balance remaining in the 2021 Acquisition and Construction Account after the Completion Date of the 2021 Project and after retaining the amount, if any, of all remaining unpaid Costs of the 2021 Project set forth in the Engineers' Certificate establishing such Completion Date, shall be deposited in the 2021 Prepayment Account in the Bond Redemption Fund and applied to the extraordinary mandatory redemption of the Series 2021 Bonds in the manner prescribed in the Series 2021 Bonds. At such time as there are no amounts on deposit in the 2021 Acquisition and Construction Account such account shall be closed.

(c) Notwithstanding the foregoing, the District shall not declare that the Completion Date has occurred until after the Release Condition #2 has been satisfied and all moneys transferred from the 2021 Debt Service Reserve Account to the 2021 Acquisition and Construction Account have been expended or the District Engineer has certified in writing to the District and the Trustee that such amount is in excess of what is needed to complete the 2021 Project.

(d) In accordance with the provisions of the Indenture, the Series 2021 Bonds are payable solely from the 2021 Pledged Revenues. The District acknowledges hereby that (i) the 2021 Pledged Revenues includes, without limitation, all amounts on deposit in the 2021 Acquisition and Construction Account then held by the Trustee, (ii) upon the occurrence of an Event of Default with respect to the Series 2021 Bonds, the 2021 Pledged Revenues may not be used by the District (whether to pay costs of the 2021 Project or otherwise) without the consent of the Majority Owners, except to the extent that prior to the occurrence of the Event of Default the District had incurred a binding obligation with third parties for work on the 2021 Project and payment is for such work and (iii) the 2021 Pledged Revenues may be used by the Trustee, at the direction or with the approval of the Majority Owners, to pay costs and expenses incurred in connection with the pursuit of remedies under the Indenture. The District shall not enter into any binding agreement with respect to the 2021 Project after the occurrence of an Event of Default unless authorized in writing by the Majority Owners.

Section 404. Costs of Issuance Account. There shall be deposited in the 2021 Costs of Issuance Account \$_____ which shall, at the written direction of a Responsible Officer to the Trustee, be used to pay the costs of issuance relating to the Series 2021 Bonds. Any amounts on deposit in the 2021 Costs of Issuance Account ninety (90) days after the date of initial delivery of the Series 2021 Bonds, for which the District has not provided a pending requisition, shall be transferred over and deposited into the 2021 Acquisition and Construction Account and used for the purposes permitted therefor and the 2021 Costs of Issuance Account shall be closed.

Section 405. 2021 Reserve Account. Amounts on deposit in the 2021 Reserve Account except as provided elsewhere in the Master Indenture or in this First Supplemental Indenture shall be used only for the purpose of making payments into the 2021 Interest Account and the 2021 Sinking Fund Account to pay the Series 2021 Bonds, without distinction as to Series 2021 Bonds and without privilege or priority of one Series 2021 Bond over another, when due when the moneys on deposit in such Accounts and available therefor are insufficient.

The Trustee, on each March 15, June 15, September 15 and December 15 (or if such day is not a Business Day, on the Business Day next preceding such day) next preceding each Quarterly Redemption Date, after taking into account all payments and transfers made as of such date, shall compute the value of the 2021 Reserve Account and shall promptly notify the District of the amount of any deficiency or surplus as of such date in such account. The District shall immediately pay the amount of any deficiency to the Trustee, for deposit in the 2021 Reserve Account, from the first legally available sources of the District. Any such surplus in the 2021 Reserve Account as a result of having met Release Condition #1 or Release Condition #2 (pursuant to a written direction from the District to the Trustee upon which the Trustee may conclusively rely) shall be deposited to the 2021 Acquisition and Construction Account to be used for the purposes of such Account and all other such surplus shall be deposited to the 2021 Prepayment Account to be used for the extraordinary mandatory redemption of Series 2021 Bonds.

Provided no deficiency exists in the 2021 Reserve Account, all earnings on investments in the 2021 Reserve Account shall be deposited (i) prior to the Completion Date of the 2021 Project to the 2021 Acquisition and Construction Account and (ii) after the Completion Date of the 2021 Project to the 2021 Revenue Account. If a deficiency exists in the 2021 Reserve Account earnings shall remain on deposit in the 2021 Reserve Account until the deficiency is cured. Such Account shall consist only of cash and Investment Securities.

Notwithstanding the foregoing, on the earliest date on which there is on deposit in the 2021 Reserve Account sufficient monies, taking into account other monies available therefor, to pay and redeem all of the Outstanding Series 2021 Bonds, together with accrued interest on such Series 2021 Bonds to the earliest date of redemption, then the Trustee shall transfer to the 2021 Prepayment Account the amount on deposit in the 2021 Reserve Account to pay and redeem all of the Outstanding Series 2021 Bonds on the earliest such date.

Section 406. Application of Prepayment Principal; 2021 Prepayment Account. All Prepayment Principal shall upon receipt by the Trustee be deposited to the 2021 Prepayment Account. At the time the District deposits Prepayment Principal with the Trustee it shall notify the Trustee in writing as to the amount of Prepayment Principal. Amounts on deposit in the 2021

Prepayment Account shall be applied to the extraordinary mandatory redemption of the Series 2021 Bonds in the manner prescribed in the Series 2021 Bonds.

The Trustee is not responsible to verify if any payment is Prepayment Principal and may conclusively rely as accurate upon the classification of the District as Prepayment Principal and in the absence of such notification will conclude that such payment is not Prepayment Principal.

Section 407. Tax Covenants and Rebate Account. The District shall comply with the Arbitrage Certificate (including deposits to and payments from the 2021 Rebate Account hereby established) included as part of the closing transcript for the Series 2021 Bonds, as amended and supplemented from time to time in accordance with its terms. Amounts in the 2021 Rebate Account hereby established shall be directed by the District for investment only in Government Obligations. To the extent any amounts in the 2021 Rebate Account are not needed to comply with the Arbitrage Certificate, such amounts shall be transferred as directed by the District to any other fund or account created hereunder.

Notwithstanding anything to the contrary contained in the Master Indenture, the District covenants with the holders of the Series 2021 Bonds that it shall comply with the requirements of Code necessary to maintain the exclusion of interest on the Series 2021 Bonds from gross income for purposes of federal income taxation, including the payment of any amount required to be rebated to the U.S. Treasury pursuant to the Code, and, in particular, that it shall not make or direct the making of any investment or other use of proceeds of such Series 2021 Bonds (or amounts deemed to be proceeds under the Code) in any manner which would cause the interest on such Series 2021 Bonds to be or become subject to federal income taxation, nor shall it fail to do any act which is necessary to prevent such interest from becoming subject to federal income taxation. The District further covenants that neither the District nor any other person under its control or direction will make any investment or other use of the proceeds of the Series 2021 Bonds (or amounts deemed to be proceeds under the Code) in any manner which would cause the 2021 Bonds to be “private activity bonds” as that term is defined in Section 141 of the Code (or any successor provision thereto), or “arbitrage bonds” as that term is defined in Section 148 of the Code (or any successor provision thereto) and that it will comply with such sections of the Code throughout the term of the Series 2021 Bonds. Notwithstanding the foregoing, nothing herein shall require the District to impose additional assessments, taxes, or other similar amounts, the imposition of which would require an action of the governing body of the District.

Section 408. Establishment of 2021 Revenue Account in Revenue Fund; Application of Series 2021 Accounts and Investment Earnings.

(a) Except as otherwise provided herein, amounts on deposit in the 2021 Revenue Account shall be applied in accordance with Section 6.03 of the Master Indenture. Except as otherwise provided herein, the Series 2021 Assessments will be collected as provided in Section 9.04 of the Master Indenture. Following an Event of Default, the Majority Owners may direct the District as to the collection method for the Series 2021 Assessments provided such method complies with Florida law. The District covenants to assess, levy, and enforce the payment of the Series 2021 Assessments at times and in amounts as shall be necessary in order to pay, when due, Debt Service Requirements on the Series 2021 Bonds and to pay or cause to be paid the proceeds

of such Series 2021 Assessments as received to the Trustee for deposit to the 2021 Revenue Account.

(b) Upon deposit of the revenues from the Series 2021 Assessments including the interest thereon with the Trustee, the District shall provide the Trustee a written accounting setting forth the amounts of such Series 2021 Assessments in the following categories which shall be deposited by the Trustee into the Funds and Accounts established hereunder as follows:

(i) Assessment Interest which shall be deposited into the 2021 Interest Account;

(ii) Assessment Principal, which shall be deposited into the 2021 Sinking Fund Account;

(iii) Prepayment Principal which shall be deposited into the 2021 Prepayment Account;

(iv) Delinquent Assessment Principal shall first be applied to restore the amount of any withdrawal from the 2021 Reserve Account to pay the principal of Series 2021 Bonds, to the extent that less than the 2021 Reserve Account Requirement is on deposit in the 2021 Reserve Account, and, the balance, if any, shall be deposited into the 2021 Sinking Fund Account;

(v) Delinquent Assessment Interest shall first be applied to restore the amount of any withdrawal from the 2021 Reserve Account to pay the interest of Series 2021 Bonds to the extent that less than the 2021 Reserve Account Requirement is on deposit in a 2021 Reserve Account, and, the balance, if any, shall be deposited into the 2021 Interest Account;

(vi) The balance shall be deposited in the 2021 Revenue Account.

(c) On each March 15, June 15, September 15 and December 15 (or if such Day is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the 2021 Prepayment Account and, if the balance therein is greater than zero, shall transfer, but only after transferring sufficient amounts as directed by the District from the 2021 Revenue Account to pay amounts due on the next Interest Payment Date from the 2021 Revenue Account for deposit into such Prepayment Account, an amount sufficient to increase the amount on deposit therein to the next integral multiple of \$5,000, and, shall thereupon give notice and cause the extraordinary mandatory redemption of Series 2021 Bonds on the next succeeding Quarterly Redemption Date in the maximum aggregate principal amount for which moneys are then on deposit in such Prepayment Account in accordance with the provisions for extraordinary redemption of Series 2021 Bonds. All interest due in regard to such prepayments shall be paid from the 2021 Interest Account or, if insufficient amounts are on deposit in the 2021 Interest Account to pay such interest, then from the 2021 Revenue Account.

(d) Anything herein or in the Master Indenture to the contrary, on each May 1 and November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall transfer from amounts on deposit in the

2021 Revenue Account to the Funds and Accounts designated below, the following amounts in the following order of priority:

FIRST, to the 2021 Interest Account of the Debt Service Fund, an amount equal to the amount of interest payable on all Series 2021 Bonds then Outstanding on such May 1 or November 1, less any other amount already on deposit in the 2021 Interest Account not previously credited;

SECOND, beginning on May 1, 2023, and no later than the Business Day next preceding each May 1 thereafter while Series 2021 Bonds remain Outstanding, to the 2021 Sinking Fund Account, an amount equal to the Amortization Installment on the Series 2021 Bonds due on such May 1 or the principal maturing on such May 1, less any amount on deposit in the 2021 Sinking Fund Account not previously credited;

THIRD, to the 2021 Reserve Account, the amount, if any, which is necessary to make the amount on deposit therein equal to the 2021 Reserve Account Requirement with respect to the Series 2021 Bonds; and

FOURTH, the balance shall be retained in the 2021 Revenue Account.

Anything herein to the contrary notwithstanding, it shall not constitute an Event of Default hereunder if the full amount of the foregoing deposits are not made due to an insufficiency of funds therefor; provided, however, that nothing in this paragraph is meant to change what are otherwise Events of Default as provided for in Article X of the Master Trust Indenture and Section 605 herein.

(e) On any date required by the Arbitrage Certificate, the District shall give the Trustee written direction to, and the Trustee shall, transfer from the 2021 Revenue Account to the 2021 Rebate Account established for the Series 2021 Bonds in the Rebate Fund the amount due and owing to the United States, which amount shall be paid, to the United States, when due, in accordance with such Arbitrage Certificate. To the extent insufficient moneys are on deposit in the 2021 Revenue Account to make the transfer provided for in the immediately preceding sentence the District shall deposit with the Trustee from available moneys of the District the amount of any such insufficiency.

(f) Anything herein or in the Master Indenture to the contrary notwithstanding, amounts on deposit in all of the Funds and Accounts held as security for the Series 2021 Bonds shall be invested only in Investment Securities, and further, earnings on investments in the 2021 Acquisition and Construction Account and the 2021 Costs of Issuance Account shall be retained as realized, in such Funds and Accounts and used for the purpose of such Accounts. Earnings on investments in the 2021 Revenue Account, 2021 Sinking Fund Account, the 2021 Interest Account and the 2021 Prepayment Account and the 2021 Optional Redemption Account in the Bond Redemption Fund shall be deposited, as realized, to the credit of the 2021 Revenue Account and used for the purpose of such Account. Earnings on investments in the 2021 Reserve Account shall be disposed of as provided in Section 405 hereof.

**ARTICLE V
CONCERNING THE TRUSTEE**

Section 501. Acceptance by Trustee. The Trustee accepts the trusts declared and provided in this First Supplemental Indenture and agrees to perform such trusts upon the terms and conditions set forth in the Master Indenture as modified by this First Supplemental Indenture.

Section 502. Limitation of Trustee's Responsibility. The Trustee shall not be responsible in any manner for the due execution of this First Supplemental Indenture by the District or for the recitals contained herein, all of which are made solely by the District.

Section 503. Trustee's Duties. Nothing contained herein shall limit the rights, benefits, privileges, protection and entitlements inuring to the Trustee under the Master Indenture, including, particularly, Article XI thereof, all of which shall apply to the actions of the Trustee under this First Supplemental Indenture.

**ARTICLE VI
ADDITIONAL COVENANTS AND AGREEMENTS OF THE DISTRICT**

Section 601. Additional Covenant Regarding Series 2021 Assessments. In addition, and not in limitation of, the covenants contained elsewhere in this First Supplemental Indenture and in the Master Indenture, the District covenants to comply with the terms of the proceedings heretofore adopted with respect to the Series 2021 Assessments, including the assessment methodology, prepared by Rizzetta & Company, Inc. (the "Report"), and to levy the Series 2021 Assessments and any required true up payments as set forth in the Report, in such manner as will generate funds sufficient to pay the principal of and interest on the Series 2021 Bonds, when due. The District also agrees that it shall not amend the Report in any material manner without the written consent of the Majority Owners.

The District shall directly collect the Series 2021 Assessments in lieu of using the Uniform Method with respect to any assessable lands until such time as such lots are platted, unless the District Manager is directed otherwise by Majority Owners.

Section 602. Limitation on Additional Debt. Other than Bonds issued to refund a portion of Outstanding Series 2021 Bonds, the issuance of which as determined by the District results in present value debt service savings, the District shall not, while any Series 2021 Bonds are Outstanding, issue or incur any debt payable in whole or in part from the 2021 Pledged Revenues. In addition, the District covenants not to issue any other Bonds or other debt obligations secured by Special Assessments on assessable lands which are also encumbered by the Series 2021 Assessments for any capital project unless (i) the Series 2021 Assessments have been Substantially Absorbed; or (ii) the District has received the written approval of the Majority Owners to such debt issuance. The District may impose Special Assessments on property subject to the Series 2021 Assessments which as determined by the District are necessary for health, safety, and welfare reasons or to remediate a natural disaster and issue debt secured by such Special Assessments, and provided that the foregoing shall not preclude the imposition of Operation and Maintenance Assessments. The District may issue Bonds or other debt obligations secured by Special Assessments on assessable lands not encumbered by the Series 2021 Assessments without

limitation except as limited by the documents pursuant to which such Bonds or debt are issued. The Trustee and the District may rely on a certificate from the District Manager regarding such status of the residential units and the Series 2021 Assessments and in the absence of receipt of such certificate, may assume Substantial Absorption has not occurred.

Section 603. Additional Matters Relating to Delinquent Assessments.

(a) Notwithstanding anything herein or in the Master Indenture to the contrary, the following provisions shall apply with respect to the Series 2021 Assessments and Series 2021 Bonds: If any property shall be offered for sale for the nonpayment of any Series 2021 Assessments, and no person or persons shall purchase such property for an amount equal to the full amount due on the Series 2021 Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), the District, after receiving the written consent of the Trustee, acting at the direction of the Majority Owners of the Series 2021 Outstanding, specifying whether the District is to take title to the property in its corporate name or in the name of a special purpose entity, may purchase the property for an amount approved by the Majority Owners (principal, interest, penalties and costs, plus attorneys' fees, if any), from any legally available funds of the District and the District shall receive in its corporate name or in the name of a special-purpose entity title to the property for the benefit of the Owners of the Series 2021 Bonds. The District, either through its own actions, or actions caused to be taken by the District through the Trustee, shall have the power to and shall lease or sell such property, and deposit all of the net proceeds of any such lease or sale into the 2021 Revenue Account. The District, either through its own actions, or actions caused to be taken by the District through the Trustee, agrees that it shall, after being provided assurances satisfactory to it of payment of its fees, costs and expenses for doing so, be required to take the measures provided by law for listing for sale of property acquired by it as trustee for the Owners of the Series 2021 Bonds within sixty (60) days after the receipt of the request therefore signed by the Trustee, acting at the direction of the Majority Owners of the Series 2021 Outstanding. The District may pay costs associated with any actions taken by the District pursuant to this paragraph from any moneys legally available for such purpose held under the Indenture, provided such action does not adversely impact the tax-exempt status of the interest on the Series 2021 Bonds.

(b) Notwithstanding anything to the contrary herein or in the Master Indenture, the District acknowledges and agrees that (i) upon failure of any property owner to pay when due any installment of Series 2021 Assessments that are billed directly by the District, that the entire Series 2021 Assessments levied on the property for which such installment of Series 2021 Assessments is due and unpaid, with interest and penalties thereon, shall immediately become due and payable as provided by applicable law and, with the written consent of the Trustee, acting at the direction of the Majority Owners of the Series 2021 Bonds Outstanding, the District shall promptly, but in any event within ninety (90) days of the receipt of such consent, cause to be brought the necessary legal proceedings for the foreclosure of liens of the delinquent Series 2021 Assessments, including interest and penalties and (ii) the foreclosure proceedings shall be prosecuted to a sale and conveyance of the property involved in said proceedings as now provided by law in suits to foreclose mortgages.

Section 604. Additional Matters Relating to Series 2021 Assessments and Assessment Proceedings. The District covenants and agrees that upon the occurrence and continuance of an

Event of Default with respect to the Series 2021 Bonds, it will take such actions to enforce the remedial provisions of the Indenture, the provisions for the collection of delinquent Series 2021 Assessments that are directly billed and collected by the District, as well as delinquent direct billed Operation and Maintenance Assessments, and the provisions for the foreclosure of liens of delinquent Series 2021 Assessments that are directly billed and collected by the District, as well as delinquent direct billed Operation and Maintenance Assessments, all in a manner consistent with the Master Indenture and this First Supplemental Indenture. All Series 2021 Assessments that are billed and collected directly by the District shall be due and payable no later than thirty (30) days prior to each Interest Payment Date and shall become delinquent thereafter.

Section 605. Additional Matters Relating to Events of Default.

In addition to the events set forth in Section 10.02 of the Master Indenture, each of the following events shall be an Event of Default with respect to the Series 2021 Bonds, notwithstanding anything to the contrary in the Master Indenture:

(a) If at any time the Indenture authorizes the Trustee to withdraw funds from the 2021 Reserve Account to pay the Debt Service Requirements on the Series 2021 Bonds (regardless of whether the Trustee does or does not actually withdraw such funds from the 2021 Reserve Account to pay the Debt Service Requirements on the Series 2021 Bonds) and the related deficiency has not been cured within sixty (60) days of the date such withdrawal was or could have been made.

(b) More than fifteen percent (15%) of the Operation and Maintenance Assessments that are directly billed by the District and levied by the District on tax parcels subject to the Series 2021 Assessments are not paid by the date such are due and payable and such default continues for sixty (60) days after the date when due. The District shall give written notice to the Trustee of the occurrence of such event not later than 10 days after the end of the sixty day period referred to in the preceding sentence. The Trustee shall not be deemed to have knowledge of the occurrence of such an Event of Default absent notice thereof from the District.

Section 606. Provisions relating to Bankruptcy or Insolvency of Landowner.

(a) The provisions of this Section 606 shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to at least three percent (3%) of the Series 2021 Assessments pledged to the Series 2021 Bonds Outstanding (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding").

(b) The District acknowledges and agrees that, although the Series 2021 Bonds were issued by the District, the Owners of the Series 2021 Bonds are categorically the party with the ultimate financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving an Insolvent Taxpayer:

(i) the District hereby agrees that it shall seek to secure the written consent of the Trustee, acting at the direction of the Majority Owners of the Series 2021

Bonds Outstanding, prior to making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceedings or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2021 Assessments relating to the Series 2021 Bonds Outstanding, the Outstanding Series 2021 Bonds or any rights of the Trustee under the Indenture (provided, however, the Majority Owners shall be deemed to have consented, on behalf of the Owners of all of the Series 2021 Bonds Outstanding, to the proposed action if the District does not receive a written response from the Majority Owners within sixty (60) days following receipt by the Majority Owners of the written request for consent);

(ii) the District hereby agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2021 Assessments relating to the Series 2021 Bonds Outstanding, the Series 2021 Bonds Outstanding or any rights of the Trustee under the Indenture that are inconsistent with any written consent received (or deemed received) from the Trustee;

Such payment for and delivery of the Series 2021 Bonds and the other actions contemplated hereby to take place at the time of such payment and delivery being hereinafter referred to as the “Closing”.

2. The Series 2021 Bonds. The Series 2021 Bonds are to be issued by the District, a local unit of special-purpose government of the State of Florida (the “State”) created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended, any successor statute thereto, the Florida Constitution, and other applicable provisions

of law (the “Act”) and by Ordinance No. 79-20 duly enacted by the City Council of the City effective on December 14, 2020 (the “Ordinance”). The Series 2021 Bonds are being issued by the District pursuant to the Act and secured pursuant to the provisions of a Master Trust Indenture dated as of October 1, 2021, as supplemented by a First Supplemental Trust Indenture dated as of October 1, 2021 (collectively, the “Indenture”), each by and between the District and U.S. Bank National Association, as trustee (the “Trustee”), and Resolution No. 2021-26 duly adopted by the Board on January 19, 2021 and Resolution No. 2021-__ duly adopted by the Board on September 23, 2021 (collectively, the “Bond Resolution”). The Series 2021 Assessments comprising the 2021 Pledged Revenues have been levied by the District on the assessable lands within the District pursuant to Resolution Nos. 2021-25, 2021-28, 2021-31 and 2021-32 adopted by the Board on February 25, 2021, February 25, 2021, April 1, 2021 and April 1, 2021, respectively (collectively, the “Assessment Resolution”).

3. Limited Offering; Establishment of Issue Price.

(a) It shall be a condition to the District’s obligation to sell and to deliver the Series 2021 Bonds to the Underwriter, and to the Underwriter’s obligation to purchase, accept delivery of and pay for the Series 2021 Bonds, that the entire principal amount of the Series 2021 Bonds be issued, sold and delivered by the District and purchased, accepted and paid for by the Underwriter at the Closing and that the District and the Underwriter receive the opinions, documents and certificates described in Section 8(c) hereof.

(b) The Underwriter agrees to assist the District in establishing the issue price of the Series 2021 Bonds and shall execute and deliver to the District at Closing an “issue price” or similar certificate, together with the supporting pricing wires or equivalent communications, in the form reasonably satisfactory to Bond Counsel, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Series 2021 Bonds.

(c) The District will treat the first price at which 10% of each maturity of the Series 2021 Bonds (the “10% test”) is sold to the public as the issue price of that maturity. At or promptly after the execution of this Purchase Contract, the Underwriter shall report to the District the price or prices at which it has sold to the public (as hereinafter defined) each maturity of the Series 2021 Bonds. For purposes of this Section, if Series 2021 Bonds mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Series 2021 Bonds.

(d) The Underwriter acknowledges that sales of any Series 2021 Bonds to any person that is a related party to an underwriter participating in the initial sale of the Series 2021 Bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this Section 3. Further, for purposes of this Section 3:

(1) “public” means any person other than an underwriter or a related party,

(2) “underwriter” means (A) any person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Bonds to the public), and

(3) a purchaser of any of the Series 2021 Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other).

4. Use of Documents. Prior to the date hereof, the District has caused to be prepared and has provided to the Underwriter the Preliminary Limited Offering Memorandum, dated _____, 2021 (such Preliminary Limited Offering Memorandum, including the cover pages and all appendices thereto, and any amendments and supplements thereto that may be authorized by the District for use with respect to the Series 2021 Bonds being herein collectively called the “Preliminary Limited Offering Memorandum”) of the District, relating to the Series 2021 Bonds that the District has deemed final as of its date, except for certain permitted omissions (the “Permitted Omissions”), as contemplated by Rule 15c2-12 of the Securities and Exchange Commission (“Rule 15c2-12” or the “Rule”) in connection with the limited offering of the Series 2021 Bonds. The Underwriter has reviewed the Preliminary Limited Offering Memorandum prior to the execution of this Purchase Contract. The District has, prior to the date hereof, authorized the use of the Preliminary Limited Offering Memorandum to be circulated and used by the Underwriter in connection with the limited offering of the Series 2021 Bonds. The District shall deliver, or cause to be delivered, at its expense, to the Underwriter within seven (7) business days after the date hereof but not later than the Closing Date (as defined below) and in sufficient time to allow the Underwriter to comply with the requirements of Rule 15c2-12 and all applicable securities laws and the rules of the Municipal Securities Rulemaking Board (the “MSRB”). The Preliminary Limited Offering Memorandum changed to reflect the final terms and provisions of the Series 2021 Bonds, together with such amendments and supplements as shall be authorized by the District for use with respect to the Series 2021 Bonds being herein referred to as the “Limited Offering Memorandum”. The Preliminary Limited Offering Memorandum and the Limited Offering Memorandum are sometimes collectively referred to as the “Limited Offering Memoranda”. The Underwriter agrees to file the Limited Offering

Memorandum with the MSRB not later than two (2) business days after the Closing Date. The District hereby ratifies the use of the Preliminary Limited Offering Memorandum and approves the circulation and use of the Limited Offering Memorandum by the Underwriter.

To the best of its knowledge, no event has occurred which, with the

lapse of time or the giving of notice, or both, would constitute a default or an event of default under the Series 2021 Bonds or the Financing Documents;

(e) All authorizations, approvals, licenses, permits, consents and orders of any governmental authority, legislative body, board, agency or commission having jurisdiction of the matters which are required for the due authorization by, or which would constitute a condition precedent to, or the absence of which would materially adversely affect, the due performance by the District of its obligations, to issue the Series 2021 Bonds, or under the Series 2021 Bonds, the Bond Resolution, the Assessment Resolution or the Financing Documents have been duly obtained, except for such approvals, consents and orders as may be required under the Blue Sky or securities laws of any state in connection with the offering and sale of the Series 2021 Bonds (as to which no representations or warranties are made);

On the Closing Date, all conditions precedent to the issuance of the Series 2021 Bonds set forth in the Indenture will have been complied with or fulfilled;

(h) As of the date hereof, there is no claim, action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body, pending or, to its best knowledge, threatened against the District: (i) contesting the corporate existence or powers of the Board or the titles of the respective officers of the Board to their respective offices; (ii) affecting or seeking to prohibit, restrain or enjoin the sale, issuance or delivery of the Series 2021 Bonds or the application of the proceeds of the sale thereof for the purposes described in the Limited Offering Memoranda or the collection of Series 2021 Assessments or the pledge of and lien on the 2021 Pledged Revenues, pursuant to the Indenture; (iii) contesting or affecting specifically as to the District the validity or enforceability of the Act or any action of the District in any respect relating to the authorization for the issuance of the Series 2021 Bonds, or the authorization of the 2021 Project, the Bond Resolution, the Assessment Resolution, the Financing Documents to which the District is a party, or the application of the proceeds of the Series 2021 Bonds for the purposes set forth in the Limited Offering Memoranda; (iv) contesting the federal tax status of the Series 2021 Bonds; or (v) contesting the completeness or accuracy of the Limited Offering Memoranda or any supplement or amendment thereto;

Pursuant to the provisions of Sections 218.385(2) and (3), Florida Statutes, as amended, the following truth-in-bonding statements are made with respect to the Bonds.

C. OPINIONS

Based on the foregoing, and subject to the qualifications and assumptions set forth herein, we are of the opinion that:

1. **Authority** – Under the Florida Constitution and laws of the State, the District has been duly established and validly exists as a local unit of special purpose government and a community development district under Chapter 190, *Florida Statutes* (“Act”), with such powers as set forth in the Act, and with good, right and lawful authority: (a) to enter into and to consummate the transactions contemplated by the Bond Resolution, the Assessment Resolution, the Indenture, the Bonds and the Bond Agreements; (b) to issue the Bonds for the purposes for which they are issued; (c) to impose, levy, collect and enforce the Debt Assessments and pledge the 2021 Pledged Revenues to secure the Bonds as provided in the Indenture; (d) to adopt the Bond Resolution and the Assessment Resolution; and (e) to perform its obligations under the

terms and conditions of the Bond Resolution, the Assessment Resolution, the Bond Agreements, the Bonds and the Indenture.

2. **Assessments** – The proceedings by the District with respect to the Debt Assessments have been in accordance with Florida law. The District has taken all action necessary to levy and impose the Debt Assessments as set forth in the Assessment Resolution, Assessment Methodology, and/or other applicable documents. The Debt Assessments constitute legal, valid, binding and enforceable first liens upon the property against which such Debt Assessments are assessed, co-equal with the lien of all state, county, district and municipal taxes and assessments, and superior in dignity to all other liens, titles and claims, until paid.

3. **Documents** – The Bond Resolution and Assessment Resolution have been duly and validly adopted and executed by the District, are in full force and effect, and constitute legal, valid and binding actions of the District. The Bonds, Indenture, and Bond Agreements (assuming due authorization, execution and delivery of the foregoing documents by any parties thereto other than the District) have been duly and validly authorized, executed and delivered by the District, are in full force and effect, and constitute legal, valid and binding obligations of the District, and are enforceable against the District in accordance with their respective terms. All conditions prescribed in the Indenture as precedent to the issuance of the Bonds have been fulfilled.

4. **Validation** – The Bonds have been validated by a final judgment of the Circuit Court in and for Lee County, Florida, of which no timely appeal was filed.

5. **Governmental Approvals** –As of the date hereof, all necessary consents, approvals, waivers or other actions by or filings with any governmental authority or other entity that are required for: (a) the adoption of the Bond Resolution and the Assessment Resolution; (b) the issuance, sale, execution and delivery of the Bonds upon the terms set forth in the BPC, PLOM, and LOM; (c) the execution and delivery of the Indenture and Bond Agreements; and (d) the performance by the District of the transactions required hereby, have been duly obtained or made and are in full force and effect.

6. **PLOM and LOM** – The District has duly authorized the execution, delivery and distribution by the Underwriter of the PLOM and LOM. To our knowledge, and based upon our review of the PLOM and LOM and without having undertaken to determine independently the accuracy, completeness or fairness of the statements contained in the PLOM and LOM, and as of the date of their respective issuances, and with respect to the PLOM, the date of the BPC, and with respect to the LOM, the date hereof, nothing has come to our attention which would lead us to believe that the PLOM and LOM contain an untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading, provided however that the opinions stated herein extend only to the following provisions of the PLOM and LOM: “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2021 BONDS – Assessment Methodology/Projected Level of District Assessments (excluding the last paragraph of that section), – Prepayment of Special Assessments, – Developer Agreements,” “ENFORCEMENT OF ASSESSMENT COLLECTIONS,” “THE DISTRICT,” (excluding the subcaption “the District Manager and Other Consultants”) “ASSESSMENT METHODOLOGY,”

“AGREEMENT BY THE STATE,” “LEGALITY FOR INVESTMENT,” “LITIGATION – The District,” “CONTINUING DISCLOSURE, “ (as it relates to the District only) “VALIDATION,” and “AUTHORIZATION AND APPROVAL,” and further provided however that the opinions stated herein do not extend to any statements that constitute descriptions of the Bonds or the Indenture. No information or opinion is offered as to any remaining provisions of the PLOM or LOM.

7. **Litigation** –Based on our serving as the District’s Registered Agent for service of process and the fact that we have not been served with notice, there is no litigation pending or, to the best of our knowledge, threatened against the District: (a) seeking to restrain or enjoin the issuance or delivery of the Bonds or the application of the proceeds thereof, or the imposition, levy or collection of the Debt Assessments or the 2021 Pledged Revenues pledged for the payment of the debt service on the Bonds; (b) contesting or affecting the authority for the Debt Assessments, the authority for the issuance of the Bonds or the validity or enforceability of the Bonds, the Indenture, the Bond Agreements or the transactions contemplated thereunder; (c) contesting or affecting the establishment or existence of the District or any of its Supervisors, officers or employees, its assets, property or condition, financial or otherwise, or contesting or affecting any of the powers of the District, including its power to enter into the Indenture or the Bond Agreements, or its power to determine, assess, levy, collect and pledge the Debt Assessments for the payment of the debt service on the Bonds; or (d) specifically contesting the exclusion from federal gross income of interest on the Bonds.

8. **Compliance with Laws** – To the best of our knowledge, the District is not, in any manner material to the issuance of the Bonds or the Debt Assessments, in breach of or default under any applicable provision of the Act or constitutional provision, statute, or administrative regulation of the State of Florida, or any applicable judgment or decree, any loan agreement, indenture, bond, note, resolution, agreement (including the Bond Agreements and Indenture), or any other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of our knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or event of default by the District under any such instrument; provided, however, that no opinion is expressed as to compliance with any state or federal tax or securities laws.

9. **Authority to Undertake the 2021 Project** - The District has good right and lawful authority under the Act to undertake, finance, acquire, construct, own, and operate the 2021 Project, subject to obtaining such licenses, orders or other authorizations as are, at the date of such opinion, required to be obtained from any agency or regulatory body.

D. CERTAIN ASSUMPTIONS

In rendering the foregoing opinions, we have assumed the following: (1) that all public records, certifications, agreements and other documents examined by us that have been executed or certified by public officials acting within the scope of their official capacities are authentic, truthful and accurate; (2) that copies of such public records, certifications, agreements, and other documents furnished to us are authentic and conform to the originals; (3) that all signatures on executed public records, certifications, agreements and other documents are genuine; and (4) that

OPINION OF COUNSEL TO DEVELOPER

[Closing Date]

Stonewater Community Development District
City of Cape Coral, Florida

FMSbonds, Inc.
North Miami Beach, Florida

Re: \$_____ Stonewater Community Development District Special Assessment
Revenue Bonds, Series 2021

Ladies and Gentlemen:

We are counsel to D.R. Horton, Inc., a Delaware corporation (the “Developer”), which is the owner of the lands within the District (as hereinafter defined) which are being developed into a residential community herein referred to as the “Development.” We have served as counsel to the Developer in connection with the issuance by the Stonewater Community Development District (the “District”) of \$_____ aggregate principal amount of Stonewater Community Development District Special Assessment Revenue Bonds, Series 2021 (the “Series 2021 Bonds”) as described in the District’s Preliminary Limited Offering Memorandum, dated _____, 2021 (the “Preliminary Limited Offering Memorandum”) and its Limited Offering Memorandum, dated [Pricing Date] (the “Limited Offering Memorandum,” and together with the Preliminary Offering Memorandum, hereinafter referred to as the “Limited Offering Memoranda”). The Series 2021 Bonds are being issued to, among other things, finance the cost of the acquisition, construction, installation and equipping of certain infrastructure improvements, as more fully described in the Limited Offering Memorandum (the “2021 Project”). Unless otherwise defined herein, capitalized terms used herein have the respective meanings assigned to such terms in the Bond Purchase Contract, dated [Pricing Date] (the “Contract”), between the District and FMSbonds, Inc. (the “Underwriter”), or in the Indenture, as applicable.

In our capacity as counsel to the Developer, we have examined and are familiar with the True-Up Agreement (2021 Bonds) dated [Closing Date], the Acquisition Agreement dated [Closing Date][_____, 2021], the Completion Agreement (2021 Bonds) dated [Closing Date], the Collateral Assignment Agreement (2021 Bonds) dated [Closing Date] by and between the District and the Developer, the Declaration of Consent (2021 Bonds) dated [Closing Date], and the Continuing Disclosure Agreement, dated [Closing Date] among the District, the Developer and Wrathell, Hunt and Associates, LLC, as dissemination agent (collectively, the “Developer Documents”) and have made such examination of law as we have deemed necessary or appropriate in rendering the opinions set forth below. We have further relied upon certificates and representations made by the Developer, their representatives and the parties to this transaction described in the Limited Offering Memoranda.

In rendering this opinion, we have assumed, without having made any independent investigation of the facts, the genuineness of all signatures (other than those of the Developer), the authenticity of all documents submitted to us as originals and the conformity to original documents of all documents submitted to us as certified, conformed or photostatic copies, and the legal capacity of all natural persons.

In basing the opinions set forth in this opinion on “our knowledge”, the words “our knowledge” signify that, in the course of our representation of Developer, no facts have come to our attention that would give us actual knowledge or actual notice that any such opinions or other matters are not accurate. Except as otherwise stated in this opinion, we have undertaken no investigation or verification of such matters. Further, the words “our knowledge” as used in this opinion are intended to be limited to the actual knowledge of the attorneys within our firm who have been directly involved in representing Developer in connection with this transaction.

Based on the forgoing, we are of the opinion that:

1. The Developer is a corporation organized and existing under the laws of the State of Delaware and is authorized to conduct business in the State of Florida.

2. The Developer has the power to conduct its business and to undertake the Development as described in the Limited Offering Memorandum and to enter into the Developer Documents.

3. The Developer Documents have been duly authorized, executed and delivered by the Developer and are in full force and effect. Assuming the due authorization, execution and delivery of such instruments by the other parties thereto and their authority to perform such instruments, the Developer Documents constitute legal, valid and binding obligations of the Developer, enforceable in accordance with their respective terms.

4. Nothing has come to our attention that would lead us to believe the information contained in the Limited Offering Memoranda under the captions “THE DEVELOPMENT,” “THE DEVELOPER,” “and “LITIGATION – The Developer” does not accurately and fairly present the information purported to be shown or contains any untrue statement of a material fact nor omits to state any material fact necessary to make the statement made therein, in light of the circumstances under which they were made, not misleading as of the respective dates of the Limited Offering Memoranda or as of the date hereof.

5. The execution, delivery and performance of the Developer Documents by the Developer do not violate (i) the Developer’s bylaws, (ii) to our knowledge, any agreement, instrument or federal or Florida law, rule or regulation known to us to which the Developer is a party or by which Developer’s assets are or may be bound; or (iii) to our knowledge, any judgment, decree or order of any administrative tribunal, which judgment, decree, or order is binding on the Developer or its assets.

6. Nothing has come to our attention that would lead us to believe that the Developer is not in compliance in all material respects with all provisions of applicable law in all material matters relating to the Developer or the Development as described in the Limited Offering Memoranda. Except as otherwise described in the Limited Offering Memoranda, (a) we have no

knowledge that the Developer has not received all government permits, approvals, consents and licenses required in connection with the construction and completion of the Development, the 2021 Project as described in the Limited Offering Memoranda and the Engineer's Report, other than certain government permits, approvals, consents and licenses which are expected to be received in the ordinary course as needed; and (b) we have no knowledge of any default of any zoning condition, land use permit or development agreement which would adversely affect the Developer's ability to complete development of the Development as described in the Limited Offering Memoranda and all appendices thereto.

7. To our knowledge, the levy of the Series 2021 Assessments on the lands within the District (as described in the Limited Offering Memoranda) will not conflict with or constitute a breach of or default under any agreement, indenture or other instrument to which the Developer is a party or to which the Developer or any of its property or assets is subject.

8. To our knowledge, there is no litigation pending, and to our knowledge, threatened, which would prevent or prohibit the development of the Development, or the 2021 Project in accordance with the descriptions thereof in the Limited Offering Memoranda and the Engineer's Report annexed thereto as Appendix A or which could result in any material adverse change in the respective business, properties, assets or financial condition of the Developer.

9. To our knowledge, the Developer has not made an assignment for the benefit of creditors, filed a petition in bankruptcy, petitioned or applied to any tribunal for the appointment of a custodian, receiver or any trustee or commenced any proceeding under any bankruptcy, reorganization, arrangement, readjustment of debt, dissolution or liquidation law or statute of any jurisdiction. To our knowledge, the Developer has not indicated its consent to, or approval of, or failed to object timely to, any petition in bankruptcy, application or proceeding or order for relief or the appointment of a custodian, receiver or any trustee.

10. To our knowledge, the Developer is not in default under any mortgage, trust indenture, lease or other instrument to which it or any of its assets is subject, which default would have a material adverse effect on the Series 2021 Bonds or the Development.

11. This opinion as to enforceability of any document is subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium, liquidation, readjustment of debt, or similar laws relating to or affecting creditor's rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and to the exercise of judicial discretion in appropriate cases.

12. This opinion is given as of the date hereof, and we disclaim any obligation to update this opinion letter for events occurring after the date of this opinion letter. The foregoing opinion applies only with respect to the laws of the State of Florida and the federal laws of the United States of America and we express no opinion with respect to the laws of any other jurisdiction. This letter is for the benefit of and may be relied upon solely by the addressees.

Sincerely,

J. Wayne Crosby, P.A.

THE LIMITATION OF THE INITIAL OFFERING TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFER IN ANY SECONDARY MARKET FOR THE SERIES 2021 BONDS. POTENTIAL INVESTORS ARE SOLELY RESPONSIBLE FOR EVALUATING THE MERITS AND RISKS OF AN INVESTMENT IN THE SERIES 2021 BONDS. SEE “BONDOWNERS’ RISKS” AND “SUITABILITY FOR INVESTMENT” HEREIN.

The District is a local unit of special-purpose government of the State of Florida (the “State”), created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the “Act”) and Ordinance No. 79-20 duly enacted by the City Council of the City of Cape Coral, Florida (the “City”) effective on December 14, 2020 (the “Ordinance”). The District was created for the purpose of delivering certain community development services and facilities for the benefit of District Lands (as hereinafter defined), and has previously determined to undertake the acquisition and/or construction of public improvements and community facilities as set forth in the Act for the special benefit of certain District Lands. The Act authorizes the District to issue bonds for the purpose of, among others, financing, funding, refinancing, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, equipping water management, water supply, sewer and wastewater management, bridges or culverts, public roads, street lights, real property and other basic infrastructure projects

The boundaries of the District include approximately 184.82+/- gross acres of land (the “District Lands”) located entirely within the boundaries of the City in Lee County, Florida (the “County”). The District Lands are being developed as a master planned residential community known as “[Stonewater]” (the “Development”). The Development will be developed in two phases and is planned to contain approximately 327 single-family residential units, with phase one consisting of 201 units (“Phase One”) and phase two consisting of 126 units (“Phase Two”). The Series 2021 Bonds are payable from and secured solely by the 2021 Pledged Revenues which consists primarily of revenues from the Series 2021 Assessments (as hereinafter defined). The Series 2021 Assessments will initially be levied on the 184.82+/- gross acres of land comprising the District. As lots are platted, the Series 2021 Assessments will be assigned to the 327 single-family residential lots planned for the District on a first platted, first assigned basis as set forth in the Assessment Methodology attached hereto. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2021 BONDS,” “THE DEVELOPMENT – Development Plan/Status,” “ASSESSMENT METHODOLOGY” and “APPENDIX E – ASSESSMENT METHODOLOGY” herein.

D.R. Horton, Inc., a Delaware corporation (the “Developer”), is the owner of the lands within the District and is the developer and homebuilder of the Development. See “THE DEVELOPMENT” and “THE DEVELOPER” herein for additional information regarding the Developer and the Development.

The Series 2021 Bonds are being issued by the District pursuant to the Act, Resolutions No. 2021-26 and No. 2021-__ duly adopted by the Board on January 19, 2021 and September 23, 2021, respectively, and secured pursuant to a Master Trust Indenture dated as of October 1, 2021 (the “Master Indenture”), as supplemented by a First Supplemental Trust Indenture dated as of October 1, 2021 (the “First Supplemental Indenture” and, together with the Master Indenture, the “Indenture”), each by and between the District and U.S. Bank National Association, as trustee (the “Trustee”). Reference is made to the Indenture for a statement of the authority for, and the terms and provisions of, the Series 2021 Bonds. All capitalized terms used in this Limited Offering Memorandum that are not defined herein shall have the meanings assigned to them in the Indenture. See “APPENDIX B – PROPOSED FORMS OF INDENTURE” herein.

Proceeds of the Series 2021 Bonds will be used to provide funds to: (i) finance the Cost of acquisition, construction, installation and equipping of a portion of the 2021 Project (as hereinafter defined), (ii) pay certain costs associated with the issuance of the Series 2021 Bonds, (iii) pay a portion of the interest accruing on the Series 2021 Bonds, and (iv) fund the 2021 Reserve Account (as hereinafter defined) in an amount equal to the 2021 Reserve Account Requirement (as hereinafter defined). See “THE 2021 PROJECT” and “ESTIMATED SOURCES AND USES OF FUNDS” herein.

THE SERIES 2021 BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY OUT OF THE 2021 PLEDGED REVENUES PLEDGED THEREFOR UNDER THE INDENTURE AND NEITHER THE PROPERTY, THE FULL FAITH AND

CREDIT, NOR THE TAXING POWER OF THE DISTRICT, THE CITY, THE COUNTY, THE STATE OR ANY OTHER POLITICAL SUBDIVISION THEREOF, IS PLEDGED AS SECURITY FOR THE PAYMENT OF THE SERIES 2021 BONDS, EXCEPT THAT THE DISTRICT IS OBLIGATED UNDER THE INDENTURE TO LEVY, AND TO EVIDENCE AND CERTIFY, OR CAUSE TO BE CERTIFIED, FOR COLLECTION, SERIES 2021 ASSESSMENTS TO SECURE AND PAY THE SERIES 2021 BONDS. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2021 BONDS” HEREIN.

Book-Entry Only System

The information in this caption concerning DTC and DTC’s book-entry system has been obtained from DTC and neither the District nor the Underwriter make any representation or warranty or take any responsibility for the accuracy or completeness of such information.

The Depository Trust Company (“DTC”), New York, New York, will act as securities depository for the Series 2021 Bonds. The Series 2021 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2021

Bond certificate will be issued for each maturity of the Series 2021 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has an S&P Global Ratings, a division of S&P Global Inc. rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2021 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2021 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2021 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2021 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2021 Bonds, except in the event that use of the book-entry system for the Series 2021 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2021 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2021 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2021 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2021 Bonds are credited, which may or may not be the Beneficial

Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2021 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2021 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2021 Bond documents. For example, Beneficial Owners of Series 2021 Bonds may wish to ascertain that the nominee holding the Series 2021 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2021 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Series 2021 Bonds to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2021 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2021 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and interest payments on the Series 2021 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or the Paying Agent on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Trustee, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District and/or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2021 Bonds at any time by giving reasonable notice to the District or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Series 2021 Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Series 2021 Bond certificates will be printed and delivered to DTC.

SO LONG AS CEDE & CO. IS THE REGISTERED OWNER OF THE SERIES 2021 BONDS, AS NOMINEE OF DTC, REFERENCES HEREIN TO THE OWNERS OR HOLDERS OF THE SERIES 2021 BONDS OR REGISTERED OWNERS OF THE SERIES 2021 BONDS SHALL MEAN CEDE & CO. AND SHALL NOT MEAN THE BENEFICIAL OWNERS OF THE BONDS.

The District can make no assurances that DTC will distribute payments of principal of, redemption price, if any, or interest on the Series 2021 Bonds to the Direct Participants, or that Direct and Indirect Participants will distribute payments of principal of, redemption price, if any, or interest on the Series 2021 Bonds or redemption notices to the Beneficial Owners of such Series 2021 Bonds or that they will do so on a timely basis, or that DTC or any of its Participants will act in a manner described in this Limited Offering Memorandum. The District is not responsible or liable for the failure of DTC to make any payment to any Direct Participant or failure of any Direct or Indirect Participant to give any notice or make any payment to a Beneficial Owner in respect to the Series 2021 Bonds or any error or delay relating thereto.

SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2021 BONDS

General

THE SERIES 2021 BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY OUT OF THE 2021 PLEDGED REVENUES PLEDGED THEREFOR UNDER THE INDENTURE AND NEITHER THE PROPERTY, THE FULL FAITH AND CREDIT, NOR THE TAXING POWER OF THE DISTRICT, THE CITY, THE COUNTY, THE STATE OR ANY POLITICAL SUBDIVISION THEREOF, IS PLEDGED AS SECURITY FOR THE PAYMENT OF THE SERIES 2021 BONDS, EXCEPT THAT THE DISTRICT IS OBLIGATED UNDER THE INDENTURE TO LEVY AND TO EVIDENCE AND CERTIFY, OR CAUSE TO BE CERTIFIED, FOR COLLECTION, SERIES 2021 ASSESSMENTS TO SECURE AND PAY THE SERIES 2021 BONDS. THE SERIES 2021 BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE DISTRICT, THE CITY, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION.

The Series 2021 Bonds will be secured by a pledge of the 2021 Pledged Revenues. "2021 Pledged Revenues" shall mean with respect to the Series 2021 Bonds (a) all revenues received by the District from the Series 2021 Assessments (as hereinafter defined) levied and collected on all or a portion of the District Lands with respect to the 2021 Project or portion thereof financed by the Series 2021 Bonds, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2021 Assessments or from the issuance and sale of tax certificates with respect to such Special Assessments (as defined in the Master Indenture), and (b) all moneys on deposit in the Funds and Accounts established under the First Supplemental Indenture; provided, however, that 2021 Pledged Revenues shall not include any moneys transferred to the Rebate Fund (or investment earnings thereon) or amounts in the 2021

Costs of Issuance Account; and further provided, that the Series 2021 Assessments shall not include “special assessments” levied and collected by the District under Section 190.022 of the Act for maintenance purposes or “maintenance assessments” levied and collected by the District under Section 190.021(3) of the Act.

The “Series 2021 Assessments” shall mean the Special Assessments levied against properties within the District specially benefited by the 2021 Project all as described in the Assessment Proceedings. The Series 2021 Assessments correspond in amount to the debt service on the Series 2021 Bonds and are designated as such in the Assessment Methodology. The Assessment Methodology, which describes the methodology for allocating the Series 2021 Assessments to the assessable lands within the District is included as APPENDIX E hereto. The Series 2021 Assessments were levied pursuant to Section 190.022 of the Act, and the Assessment Resolution (as defined in the First Supplemental Indenture) and assessment proceedings conducted by the District (together with the Assessment Resolution, the “Assessment Proceedings”). Non-ad valorem assessments are not based on millage and are not taxes, but are a lien against the homestead as permitted in Section 4, Article X of the Florida State Constitution. The Series 2021 Assessments will constitute a lien against the land as to which the Series 2021 Assessments are imposed. See “ENFORCEMENT OF ASSESSMENT COLLECTIONS” and “ASSESSMENT METHODOLOGY” herein.

Assessment Methodology/Projected Level of District Assessments

As set forth in the Assessment Methodology, the Series 2021 Assessments will initially be levied on the 184.82+/- gross acres of land comprising the District until such as time the lots are platted. As lots are platted, the Series 2021 Assessments will be assigned to the 327 single-family residential lots planned for the District on a first platted, first assigned basis as set forth in the Assessment Methodology attached hereto. Assuming that all of the 327 single-family residential units are developed and platted, then the Series 2021 Assessments will be allocated on a per unit basis below and as set forth in the Assessment Methodology. See “THE DEVELOPMENT – Development Plan/Status” and “ASSESSMENT METHODOLOGY” herein.

<u>Product Type</u>	<u>No. of Units</u>	<u>Estimated Annual Series 2021 Assessments Per Unit*</u>
Single-Family	327	\$1,200.00

* Preliminary, subject to change. This amount will be grossed up to include early payment discounts of 4% and County collection fees.

The District anticipates levying assessments to cover its operation and maintenance costs that will initially be approximately \$306 per residential unit annually; which amount is subject to change. In addition, residents will be required to pay homeowners’ association fees and an amenity fee which currently are estimated initially to be approximately \$100 per residential unit monthly, which amount is subject to change. The District has no control over the level of homeowners’ association fees and amenity fees levied by the homeowners’ association. The land within the District has been and is expected to continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District for 2020 was approximately 18.0967 mills, which millage rate is subject to change.

These taxes would be payable in addition to the Series 2021 Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of Lee County, Florida each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year. See “THE DEVELOPMENT – Taxes, Assessments and Fees” for more information.

Prepayment of Special Assessments

Pursuant to the Assessment Proceedings of the District, an owner of property subject to the Series 2021 Assessments may pay all or a portion (up to two times) of the principal balance of such Series 2021 Assessments remaining due at any time if there is also paid an amount equal to the interest that would otherwise be due on such balance on the next succeeding Quarterly Redemption Date for the Series 2021 Bonds, or, if prepaid during the forty-five (45) day period preceding such Quarterly Redemption Date, on the second succeeding Quarterly Redemption Date.

Pursuant to the Act, an owner of property subject to the levy of Series 2021 Assessments may pay the entire balance of the Series 2021 Assessments remaining due, without interest, within thirty (30) days after the 2021 Project has been completed or acquired by the District, and the Board has adopted a resolution accepting the 2021 Project pursuant to Chapter 170.09, Florida Statutes. For the property owned by the Developer, the Developer will covenant to waive this right in connection with the issuance of the Series 2021 Bonds pursuant to a “Declaration of Consent (2021 Bonds)” to be executed and delivered by the Developer contemporaneously with the issuance of the Series 2021 Bonds. Such declaration will be recorded in the public records of the County, and the covenants contained therein will be binding on future landowners of the District.

Any prepayment of Series 2021 Assessments will result in the extraordinary mandatory redemption of a portion of the Series 2021 Bonds as indicated under “DESCRIPTION OF THE SERIES 2021 BONDS - Redemption Provisions - Extraordinary Mandatory Redemption.” The prepayment of Series 2021 Assessments does not entitle the owner of the property to a discount for early payment.

Developer Agreements

The Developer will enter into several agreements with the District in connection with the issuance of the Series 2021 Bonds. Specifically, the Developer will enter into a completion agreement that will obligate the Developer to complete any portions of the 2021 Project not funded with proceeds of the Series 2021 Bonds. Notwithstanding such completion agreement, there is a risk that the 2021 Project will not be completed. See “BONDOWNERS’ RISK – No. 17” herein.

In addition, the Developer will execute and deliver to the District a collateral assignment agreement pursuant to which the Developer will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the Developer, development rights relating to the 2021 Project. Notwithstanding such collateral assignment

agreement, and in the event the District forecloses on the lands subject to the Series 2021 Assessments as a result of a Developer's or subsequent landowners' failure to pay such assessments, there is a risk that the District will not have all permits and entitlements necessary to complete the 2021 Project or the development of the lands in the District sufficient to absorb the allocation of the Series 2021 Assessments. See "BONDOWNERS' RISK – No. 17" herein.

Finally, the Developer will also enter into a true-up agreement in connection with its obligations to pay any requisite true-up payments in the event that, generally stated, debt levels remaining on unplatted lands in the District increase above the maximum debt levels set forth in the Assessment Methodology. See "APPENDIX E: ASSESSMENT METHODOLOGY" herein for additional information regarding the "true-up mechanism."

The descriptions of the various agreements herein are all qualified by the specific terms of the agreements. All such obligations of the Developer are unsecured obligations.

Covenant Against Sale or Encumbrance

In the Indenture, the District will covenant that (a) except for those improvements comprising any project that are to be conveyed or dedicated by the District to the County, the State Department of Transportation or another governmental entity and (b) except as otherwise permitted in the Indenture, it will not sell, lease or otherwise dispose of or encumber any Project or any part thereof. See "APPENDIX B – PROPOSED FORMS OF INDENTURE" herein.

2021 Reserve Account

The Indenture creates a 2021 Reserve Account within the Debt Service Reserve Fund solely for the benefit of the Series 2021 Bonds. The 2021 Reserve Account will, at the time of delivery of the Series 2021 Bonds, be funded from a portion of the proceeds of the Series 2021 Bonds in an amount equal to the 2021 Reserve Account Requirement. "2021 Reserve Account Requirement" shall mean, initially, an amount equal to 50% of the maximum annual debt service requirement with respect to the Series 2021 Bonds, as determined from time to time on the date and such calculation. Notwithstanding the foregoing, upon satisfaction of Release Condition #1 or Release Condition #2, as applicable, as evidence by a written certificate of the District Manager delivered to the Trustee, upon which the Trustee may conclusively rely, the 2021 Reserve Account Requirement shall mean 25% (with respect to satisfaction of Release Condition #1) or 10% (with respect to the satisfaction of Release Condition #2) of the maximum annual debt service requirement of the then Outstanding Series 2021 Bonds. The initial 2021 Reserve Account Requirement shall be equal to \$ _____.

"Release Condition #1" shall mean, collectively, all lots within the 2021 Assessment Area have been developed and platted and all Series 2021 Assessments are being collected pursuant to the Uniform Method of Collection afforded by Chapter 197, Florida Statutes, and no Event of Default under the Indenture has occurred and is continuing. "Release Condition #2" shall mean, collectively, satisfaction of Release Condition #1 and all homes within the 2021 Assessment Area have been built, sold and closed with end-users and all of the principal portion of the Series 2021 Assessments have been assigned to such homes.

The Trustee, on each March 15, June 15, September 15 and December 15 (or if such day is not a Business Day, on the Business Day next preceding such day) next preceding each Quarterly Redemption Date, after taking into account all payments and transfers made as of such date, shall compute the value of the 2021 Reserve Account and shall promptly notify the District of the amount of any deficiency or surplus as of such date in such account. The District shall immediately pay the amount of any deficiency to the Trustee, for deposit in the 2021 Reserve Account, from the first legally available sources of the District. Any such surplus in the 2021 Reserve Account as a result of having met Release Condition #1 or Release Condition #2 (pursuant to a written direction from the District to the Trustee upon which the Trustee may conclusively rely) shall be deposited to the 2021 Acquisition and Construction Account to be used for the purposes of such Account and all other such surplus shall be deposited to the 2021 Prepayment Account to be used for the extraordinary mandatory redemption of Series 2021 Bonds.

Provided no deficiency exists in the 2021 Reserve Account, all earnings on investments in the 2021 Reserve Account shall be deposited (i) prior to the Completion Date of the 2021 Project to the 2021 Acquisition and Construction Account and (ii) after the Completion Date of the 2021 Project to the 2021 Revenue Account. If a deficiency exists in the 2021 Reserve Account earnings shall remain on deposit in the 2021 Reserve Account until the deficiency is cured.

Notwithstanding the foregoing, on the earliest date on which there is on deposit in the 2021 Reserve Account, sufficient monies, taking into account other monies available therefor, to pay and redeem all of the Outstanding Series 2021 Bonds, together with accrued interest on such Series 2021 Bonds to the earliest date of redemption, then the Trustee shall use the amount on deposit in the 2021 Reserve Account to pay and redeem all of the Outstanding Series 2021 Bonds on the earliest such date.

Deposit and Application of the 2021 Pledged Revenues

Pursuant to the Indenture, the Trustee shall transfer from amounts on deposit in the 2021 Revenue Account to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, to the 2021 Interest Account of the Debt Service Fund, an amount equal to the amount of interest payable on all Series 2021 Bonds then Outstanding on such May 1 or November 1, less any other amount already on deposit in the 2021 Interest Account not previously credited;

SECOND, beginning on May 1, 2023, and no later than the Business Day next preceding each May 1 thereafter while Series 2021 Bonds remain Outstanding, to the 2021 Sinking Fund Account, an amount equal to the Amortization Installment on the Series 2021 Bonds due on such May 1 or the principal maturing on such May 1, less any amount on deposit in the 2021 Sinking Fund Account not previously credited;

THIRD, to the 2021 Reserve Account, the amount, if any, which is necessary to make the amount on deposit therein equal to the 2021 Reserve Account Requirement with respect to the Series 2021 Bonds; and

FOURTH, the balance shall be retained in the 2021 Revenue Account.

It shall not constitute an Event of Default under the Indenture if the full amount of the foregoing deposits are not made due to an insufficiency of funds therefor; provided, however, that nothing in this paragraph is meant to change what are otherwise Events of Default as provided for in the Indenture.

Investment or Deposit of Funds

The Trustee shall, as directed by the District in writing, invest moneys on deposit in all of the Funds and Accounts held as security for the Series 2021 Bonds only in Government Obligations and securities described in subparagraphs (iii), (iv), (v), (vi), (vii) or (xi) of the definition of Investment Securities, as set forth in the Indenture. Earnings on investments in the 2021 Acquisition and Construction Account and 2021 Costs of Issuance Account shall be retained as realized, in such Funds and Accounts and used for the purpose of such Accounts. Earnings on investments in the 2021 Revenue Account, 2021 Sinking Fund Account, the 2021 Interest Account, the 2021 Prepayment Account and the 2021 Optional Redemption Account in the Bond Redemption Fund shall be deposited, as realized, to the credit of the 2021 Revenue Account and used for the purpose of such Account. Earnings on investments in the 2021 Reserve Account shall be disposed of as provided in the Indenture. See "APPENDIX B – PROPOSED FORMS OF INDENTURE" herein. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for purposes set forth in the Indenture. All securities securing investments under the Indenture shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to the Indenture, any interest and other income so received shall be deposited as provided above. Upon request of the District, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof. If net proceeds from the sale of securities held in any Fund or Account shall be less than the amount invested and, as a result, the amount on deposit in such Fund or Account is less than the amount required to be on deposit in such Fund or Account, the amount of such deficit shall be transferred to such Fund or Account from the related Series Account of the Revenue Fund.

Absent specific instructions as aforesaid, or absent a standing written direction from the District for the investment of such moneys, then the Trustee shall hold such moneys uninvested and shall not be responsible or liable for keeping the moneys invested. The Trustee shall not be liable or responsible for any loss or entitled to any gain resulting from any investment or sale upon the investment instructions of the District or otherwise, including that set forth in the first sentence of this paragraph. The Trustee may conclusively rely upon the District's written instructions as to both the suitability and legality of all investments directed under the Indenture. Ratings of investments shall be determined at the time of purchase of such investments and without regard to

ratings subcategories. The Trustee shall have no responsibility to monitor the ratings of investments after the initial purchase of such investments. The Trustee may make any investments permitted by the provisions of this section through its own bond department or investment department or that of its affiliates or subsidiaries, and may charge its ordinary and customary fees for such trades. Confirmations of investments are not required to be issued by the Trustee for each month in which a monthly statement is rendered. No statement need be rendered for any fund or account if no activity occurred in such fund or account during such month.

Covenant to Levy the Series 2021 Assessments

The District has covenanted to levy the Series 2021 Assessments to the extent and in the amount sufficient to pay debt service on the Series 2021 Bonds when due. If any Series 2021 Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Series 2021 Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such Series 2021 Assessment when it might have done so, the District shall either (i) take all necessary steps to cause new Series 2021 Assessments to be made for the whole or any part of such improvement or against any property benefited by such improvement, or (ii) in its sole discretion, make up the amount of such Series 2021 Assessments from legally available moneys, which moneys shall be deposited into the 2021 Revenue Account. In case such second Series 2021 Assessment shall be annulled, the District shall obtain and make other Series 2021 Assessments until a valid Series 2021 Assessment shall be made.

Additional Obligations

The District will covenant in the Indenture that other than Bonds issued to refund a portion of the Outstanding Series 2021 Bonds, the issuance of which as determined by the District results in present value debt service savings, the District shall not, while any Series 2021 Bonds are Outstanding, issue or incur any debt payable in whole or in part from the 2021 Pledged Revenues. In addition, the District will covenant in the Indenture not to issue any other Bonds or other debt obligations secured by Special Assessments on assessable lands which are also encumbered by the Series 2021 Assessments for any capital project unless (i) the Series 2021 Assessments have been Substantially Absorbed; or (ii) the District has received the written approval of the Majority Owners to such debt issuance. The District may impose Special Assessments on property subject to the Series 2021 Assessments, which as determined by the District are necessary for health, safety, and welfare reasons or to remediate a natural disaster and issue debt secured by such Special Assessments, and provided that the foregoing shall not preclude the imposition of Operation and Maintenance Assessments. "Substantially Absorbed" means the date at least the date on which a principal amount of the Series 2021 Assessments equaling at least seventy-five percent (75%) of the then-Outstanding principal amount of the Series 2021 Bonds are levied on tax parcels within the District with respect to which a certificate of occupancy has been issued for a structure thereon. The District may issue Bonds or other debt obligations secured by Special Assessments on assessable lands not encumbered by the Series 2021 Assessments without limitation except as limited by the documents pursuant to which such Bonds or debt are issued. The Trustee and the District may rely on a certificate from the District Manager regarding such status of the residential units and the Series 2021 Assessments, and in the absence of such certificate, may assume Substantial Absorption has not occurred.

Events of Default and Remedies

Events of Default Defined. The Master Indenture provides that each of the following shall be an “Event of Default” under the Master Indenture, with respect to the Series 2021 Bonds:

(a) if payment of any installment of interest on the Series 2021 Bonds is not made when it becomes due and payable; or

(b) if payment of the principal or Redemption Price on the Series 2021 Bonds is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or

(c) if the District, for any reason, fails in, or is rendered incapable of, fulfilling its material obligations under the Indenture or under the Act, which may be determined by the Majority Owners of the Series 2021 Bonds; or

(d) if the District proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the District or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the District and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or

(e) if the District defaults in the due and punctual performance of any other covenant in the Indenture or the Series 2021 Bonds and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the District by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Majority Owners of the Series 2021 Bonds; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the District shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

(f) if at any time the amount in the 2021 Reserve Account in the Debt Service Reserve Fund established for the Series 2021 Bonds is less than the Debt Service Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement on the Series 2021 Bonds and such amount has not been restored within ninety (90) days of such withdrawal; or

(g) if on an Interest Payment Date the amount in any 2021 Interest Account, the 2021 Principal Account or the 2021 Sinking Fund Account, as the case may be, is insufficient to pay all amounts payable on the Series 2021 Bonds on such Interest Payment Date (without regard to any amount available for such purpose in the applicable Debt Service Reserve Account); or

(h) if, at any time after eighteen months following issuance of the Series 2021 Bonds, more than twenty percent (20%) of the “maintenance special assessments” levied by the District on the District Lands upon which the Series 2021 Assessments are levied to secure the Series 2021

Bonds pursuant to Section 190.021(3), Florida Statutes, as amended, and collected directly by the District have become due and payable and have not been paid within ninety (90) days of the date when due.

The Trustee shall not be required to rely on any official action, admission or declaration by the District before recognizing that an Event of Default under (c) above has occurred. Furthermore, an Event of Default with respect to the Series 2021 Bonds shall not be an Event of Default as to any other Series of Bonds, unless otherwise provided in a Supplemental Indenture.

In addition to the events above set forth in the Master Indenture, each of the following events shall be an Event of Default pursuant to the First Supplemental Indenture with respect to the Series 2021 Bonds:

(a) if at any time the Indenture authorizes the Trustee to withdraw funds from the 2021 Reserve Account to pay the Debt Service Requirements on the Series 2021 Bonds (regardless of whether the Trustee does or does not actually withdraw such funds from the 2021 Reserve Account to pay the Debt Service Requirements on the Series 2021 Bonds) and the related deficiency has not been cured within sixty (60) days of the date such withdrawal was or could have been made; and

(b) more than fifteen percent (15%) of the Operation and Maintenance Assessments that are directly billed by the District and levied by the District on tax parcels subject to the Series 2021 Assessments are not paid by the date such are due and payable and such default continues for sixty (60) days after the date when due. The District shall give written notice to the Trustee of the occurrence of such event not later than ten (10) days after the end of the sixty-day period referred to in the preceding sentence. The Trustee shall not be deemed to have knowledge of the occurrence of such an Event of Default absent notice thereof from the District.

Legal Proceedings by Trustee. If any Event of Default with respect to the Series 2021 Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Majority Owners of the Series 2021 Bonds and receipt of indemnity to its satisfaction shall, in its capacity as Trustee:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Series 2021 Bonds, including, without limitation, the right to require the District to carry out any agreements with, or for the benefit of, the Bondholders of the Series 2021 Bonds and to perform its or their duties under the Act;

(b) bring suit upon the Series 2021 Bonds;

(c) by action or suit in equity require the District to account as if it were the trustee of an express trust for the Holders of the Series 2021 Bonds;

(d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Series 2021 Bonds; and

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing the Series 2021 Bonds.

No Acceleration; Redemption. No Series 2021 Bonds shall be subject to acceleration unless the Series 2021 Assessments have been accelerated. Upon an Event of Default, no optional redemption or extraordinary mandatory redemption of the Series 2021 Bonds pursuant to the Indenture shall occur unless either all of the Series 2021 Bonds where an Event of Default has occurred will be redeemed or if 100% of the registered owners of the Outstanding Series 2021 Bonds agree to such redemption.

Discontinuance of Proceedings by Trustee. If any proceeding taken by the Trustee on account of any Event of Default is discontinued or is determined adversely to the Trustee, the District, the Trustee, the Paying Agent and the Bondholders shall be restored to their former positions and rights hereunder as though no such proceeding had been taken.

Bondholders May Direct Proceedings. The Majority Owners the Outstanding Series 2021 Bonds then subject to remedial proceedings under the Indenture shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with law and the provisions of the Indenture.

ENFORCEMENT OF ASSESSMENT COLLECTIONS

General

[Language to be confirmed/updated by District Counsel] The primary source of payment for the Series 2021 Bonds is the collection of Series 2021 Assessments imposed on the assessable lands within the District specially benefited by the 2021 Project pursuant to the Assessment Proceedings. See “ASSESSMENT METHODOLOGY” herein and “APPENDIX E – ASSESSMENT METHODOLOGY.”

The imposition, levy, and collection of Series 2021 Assessments must be done in compliance with the provisions of Florida law. Failure by the District, the Lee County Tax Collector (“Tax Collector”) or the Lee County Property Appraiser (“Property Appraiser”) to comply with such requirements could result in delay in the collection of, or the complete inability to collect, Series 2021 Assessments during any year. Such delays in the collection of Series 2021 Assessments, or complete inability to collect the Series 2021 Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2021 Bonds. See “BONDOWNERS’ RISKS.” To the extent that landowners fail to pay the Series 2021 Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2021 Bonds.

For the Series 2021 Assessments to be valid, the Series 2021 Assessments must meet two requirements: (1) the benefit from the 2021 Project to the lands subject to the Series 2021 Assessments must exceed or equal the amount of the Series 2021 Assessments, and (2) the Series 2021 Assessments must be fairly and reasonably allocated across all such benefitted properties. The Certificate of the Assessment Consultant, to be delivered at closing of the Series 2021 Bonds, will certify that these requirements have been met with respect to the Series 2021 Assessments. In the event that the Series 2021 Assessments are levied based on the assumptions that future

contributions will be made, or that future assessments may be levied to secure future bond issuances, the Series 2021 Assessments may need to be reallocated in the event such contributions are not made and/or future assessments and bonds are not levied and issued.

Pursuant to the Act and the Assessment Proceedings, the District may collect the Series 2021 Assessments through a variety of methods. See “BONDOWNERS’ RISKS.” The following is a description of certain statutory provisions relating to each of these collection methods. Such description is not intended to be exhaustive and is qualified in its entirety by reference to such statutes.

THERE CAN BE NO ASSURANCE THAT ANY SALE OF LAND SUBJECT TO DELINQUENT ASSESSMENTS WILL PRODUCE PROCEEDS SUFFICIENT TO PAY THE FULL AMOUNT OF SUCH DELINQUENT ASSESSMENTS PLUS OTHER DELINQUENT TAXES AND ASSESSMENTS APPLICABLE THERETO.

Chapter 170, Florida Statutes, provides that the Series 2021 Assessments constitute a lien on the real property in the District co-equal with all State, County, district and municipal taxes, superior in dignity to all other liens, titles and claims on such real property, until paid, and that the Series 2021 Assessments may be collected as and when needed in an amount sufficient to pay the principal of and interest on the Series 2021 Bonds when due. ALTHOUGH THE LIEN AND THE PROCEEDS OF THE SERIES 2021 ASSESSMENTS WILL SECURE THE SERIES 2021 BONDS, AND SAID LIEN AND PROCEEDS OF THE SERIES 2021 ASSESSMENTS ARE PLEDGED TO THE SERIES 2021 BONDS, THE LIEN OF THE SERIES 2021 ASSESSMENTS MAY BE ON THE SAME PROPERTY AS, AND THEREFORE OVERLAP AND BE CO-EQUAL WITH, THE LIENS IN FAVOR OF OTHER ASSESSMENTS AND/OR TAXES WHICH HAVE BEEN OR MAY BE IMPOSED BY THE DISTRICT, THE CITY, THE COUNTY, THE COUNTY OR OTHER UNITS OF LOCAL GOVERNMENT HAVING ASSESSMENT POWERS WITHIN THE DISTRICT.

Collection and Enforcement of Assessments; Uniform Method Procedure

The First Supplemental Indenture provides that, when permitted by applicable law, the Series 2021 Assessments levied on platted lots (except those owned by the Developer) and pledged to secure the Series 2021 Bonds shall be collected pursuant to the uniform method provided for in Sections 197.3632 and 197.3635, Florida Statutes, (the “Uniform Method”) unless the District determines that it is in its best interests to collect directly. The Uniform Method of collection is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2021 Assessments to be levied and then collected in this manner.

If the Uniform Method of collection is used, the Series 2021 Assessments will be collected together with County, school, special district, and other ad valorem taxes and non-ad valorem assessments (together, “Taxes and Assessments”), all of which will appear on the tax bill (also referred to as a “tax notice”) issued to each landowner in the District. The statutes relating to enforcement of Taxes and Assessments provide that such Taxes and Assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until

paid or barred by operation of law. Such taxes and assessments – including the Series 2021 Assessments – are to be billed, and landowners in the District are required to pay, all Taxes and Assessments without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2021 Assessments.

All Taxes and Assessments are payable at one time, except for partial payment schedules as may be provided by Florida law such as Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. Therefore, in the event the Series 2021 Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item would cause the Series 2021 Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of the Debt Service requirements on the Series 2021 Bonds.

Under the Uniform Method, if the Series 2021 Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November and decreasing one percentage point per month to 1% in February. All unpaid Taxes and Assessments become delinquent on April 1 of the year following assessment.

The Tax Collector is required to collect the Taxes and Assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such Taxes and Assessments through the sale of “tax certificates,” as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process. Neither the District nor the Underwriter can give any assurance to the holders of the Series 2021 Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2021 Assessments, (2) that future landowners and taxpayers in the District will pay such Series 2021 Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, and (4) that the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the Series 2021 Assessments and all other liens that are coequal therewith.

Collection of delinquent Series 2021 Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of “tax certificates” and remittance of the proceeds of such sale to the District for payment of the Series 2021 Assessments due. Prior to the sale of tax certificates, the landowner may bring current the delinquent Taxes and Assessments and cancel the tax certificate process by paying the total amount of delinquent Taxes and Assessments plus all applicable interest, costs and charges. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates by public bid to the person who pays the delinquent Taxes and Assessments owing, and any applicable interest, costs and charges, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%).

If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest, which is currently 18%. The Tax Collector does not collect any money if tax

certificates are issued, or struck off, to the County. The County may sell such certificates to the public at any time after issuance, but before a tax deed application is made, at the face amount thereof plus interest at the rate of not more than 18% per annum, costs and charges. Proceeds from the sale of tax certificates are required to be used to pay Taxes and Assessments (including the Series 2021 Assessments), interest, costs and charges on the real property described in the certificate.

Any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued (unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees), at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is affected by purchase of such certificates from the County, as described above.

Any holder, other than the County, of a tax certificate that has not been redeemed has seven years from the date of issuance of the tax certificate during which to act against the land that is the subject of the tax certificate. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all other outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate or as soon thereafter as is reasonable. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and all other costs to the applicant for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. The holder is also responsible for payment of any amounts included in the bid not already paid, including but not limited to, documentary stamp tax, recording fees, and, if property is homestead property, the moneys to cover the one-half value of the homestead. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, together

with all subsequent unpaid taxes plus the costs and expenses of the application for deed, with interest on the total of such sums, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear. If the property is purchased for an amount in excess of the statutory bid of the certificate holder, but such excess is not sufficient to pay all governmental liens of record, the excess shall be paid to each governmental unit pro rata.

Except for certain governmental liens and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the clerk shall enter the land on a list entitled "lands available for taxes" and shall immediately notify the Board of County Commissioners that the property is available. At any time within ninety (90) days from the date the property is placed on the list, the County may purchase the land for the opening bid, or may waive its rights to purchase the property. Thereafter, and without further notice or advertising, any person, the County or any other governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date the property was offered for sale, unsold lands escheat to the County in which they are located, free and clear, and all tax certificates and liens against the property are canceled and a deed is executed vesting title in the governing board of such County.

There can be no guarantee that the Uniform Method will result in the payment of Series 2021 Assessments. For example, the demand for tax certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Series 2021 Assessments, which are the primary source of payment of the Series 2021 Bonds. Additionally, legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates. See "BONDOWNERS' RISKS."

Collection and Enforcement of Assessments; Direct Billing & Foreclosure Procedure

The First Supplemental Indenture provides that, when permitted by applicable law, Series 2021 Assessments levied on unplatted lots or lands, or platted lots which are still owned by the Developer or an entity affiliated with the Developer, may be billed and collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method (discussed hereinbelow) or where the timing for using the Uniform Method will not yet allow for using such method, in each case unless the District determines that it is in its best interests not to do so. Prior to an Event of Default, the election to collect and enforce Series 2021 Assessments in any year pursuant to any one method shall not, to the extent permitted by law,

preclude the District from electing to collect and enforce Series 2021 Assessments pursuant to any other method permitted by law in any subsequent year. Following an Event of Default, Series 2021 Assessments levied on platted lots shall be collected pursuant to the Uniform Method and Series 2021 Assessments levied on unplatted lots shall be billed and collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method in each case unless the Trustee, acting at the direction of the Majority Owners of the Series 2021 Bonds Outstanding, provides written direction to use a different method of collection. All Series 2021 Assessments that are billed and collected directly by the District and not via the Uniform Method shall be due and payable by the landowner no later than thirty (30) days prior to each Interest Payment Date; provided, however, that such Series 2021 Assessments shall not be deemed to be delinquent Series 2021 Assessments unless and until same are not paid by the applicable Interest Payment Date with respect to which they have been billed.

As noted above, and pursuant to Chapters 170 and 190, Florida Statutes, the District may directly levy, collect and enforce the Series 2021 Assessments. In this context, Section 170.10, Florida Statutes, provides that upon the failure of any property owner to timely pay all or any part of the annual installment of principal and/or interest of a special assessment due, including the Series 2021 Assessments, the whole assessment, with the interest and penalties thereon, shall immediately become due and payable and subject to foreclosure. Generally stated, the governing body of the entity levying the special assessment, in this case the District, may foreclose by commencing a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or, alternatively, by commencing an action under Chapter 173, Florida Statutes, which relates to foreclosure of municipal tax and special assessment liens. Such proceedings are in rem, meaning that the action would be brought against the land, and not against the landowner. In light of the one year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Series 2021 Assessments and the ability to foreclose the lien of such Series 2021 Assessments upon the failure to pay such Series 2021 Assessments may not be readily available or may be limited because enforcement is dependent upon judicial action which is often subject to discretion and delay. Additionally, there is no guarantee that there will be demand for any foreclosed lands sufficient to repay the Series 2021 Assessments. See “BONDOWNERS’ RISKS.”

Certain mortgage lenders have, in recent foreclosures initiated pursuant to Section 170.10, Florida Statutes, alleged in defense that a community development district foreclosing on land subject to an assessment lien must wait a minimum of one (1) year from the date that any assessment or installment thereof, becomes delinquent. At least one (1) Circuit Court is known to have concluded that a community development district is authorized to foreclose pursuant to Chapter 170, Florida Statutes, and, therefore, is not required to wait a minimum of one (1) year; however, the District cannot guarantee the outcome of any legal proceeding in which a similar defense is pled.

BONDOWNERS' RISKS

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described under other headings in this Limited Offering Memorandum. Certain additional risks are associated with the Series 2021 Bonds offered hereby are set forth below. Prospective investors in the Series 2021 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2021 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. The information under this heading does not purport to summarize all risks that may be associated with purchasing or owning the Series 2021 Bonds and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Series 2021 Bonds.

1. As of the date hereof, [the Developer owns all of the lands within the Development,][Confirm.] which are the lands that will be subject to the Series 2021 Assessments securing the Series 2021 Bonds. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2021 BONDS" herein.

2. Payment of the Series 2021 Assessments is primarily dependent upon their timely payment by the Developer and subsequent landowners in the District. See "THE DEVELOPER" herein. In the event of the institution of bankruptcy or similar proceedings with respect to the Developer or any other owner of benefited property, delays could occur in the payment of debt service on the Series 2021 Bonds as such bankruptcy could negatively impact the ability of: (i) the Developer and any other landowner being able to pay the Series 2021 Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Series 2021 Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Series 2021 Assessments not being collected pursuant to the Uniform Method. The Uniform Method will not be used with respect to any assessable lands which are still owned by the Developer or an entity affiliated with the Developer until such time as lots are platted or where the timing for using the Uniform Method will not yet allow for using such method. In addition, the remedies available to the Owners of the Series 2021 Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Series 2021 Bonds, including, without limitation, enforcement of the obligation to pay Series 2021 Assessments and the ability of the District to foreclose the lien of the Series 2021 Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2021 Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Series 2021 Bonds could have a material adverse impact on the interest of the Owners thereof.

3. The principal security for the payment of the principal and interest on the Series 2021 Bonds is the timely collection of the Series 2021 Assessments. The Series 2021 Assessments

do not constitute a personal indebtedness of the owners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the landowners will be able to pay the Series 2021 Assessments or that they will pay such Series 2021 Assessments even though financially able to do so. Beyond legal delays that could result from bankruptcy or other legal proceedings contesting an ad valorem tax or non-ad valorem assessment, the ability of the Tax Collector to sell tax certificates in regard to delinquent Series 2021 Assessments collected pursuant to the Uniform Method will be dependent upon various factors, including the interest rate which can be earned by ownership of such certificates and the value of the land which is the subject of such certificates and which may be subject to sale at the demand of the certificate holder after two years. The assessment of the benefits to be received by the benefited land within the Development as a result of implementation and development of the 2021 Project is not indicative of the realizable or market value of the land, which value may actually be higher or lower than the assessment of benefits. To the extent that the realizable or market value of the land benefited by the 2021 Project is lower than the assessment of benefits, the ability of the Tax Collector to sell tax certificates relating to such land or the ability of the District to realize sufficient value from a foreclosure action to pay debt service on the Series 2021 Bonds may be adversely affected. Such adverse effect could render the District unable to collect delinquent Series 2021 Assessments, if any, and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of debt service on the Series 2021 Bonds.

4. The development of the Development is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the Development of the District Lands. See “THE DEVELOPMENT – Development Plan/Status” and “– Environmental” herein for more information. Moreover, the Developer has the right to modify or change its plan for development of the Development, from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with, and subject to the provisions of the Act, to contract or expand the boundaries of the District.

5. The successful sale of the residential units, once such homes are built within the Development may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Developer.

6. The value of the lands subject to the Series 2021 Assessments could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the District lands unable to support the development and construction of the Development. The occurrence of any such events could materially adversely impact the District’s ability to pay principal and interest on the Series 2021 Bonds. The Series 2021 Bonds are not insured and the District’s casualty insurance policies do not insure against losses incurred on private lands within its boundaries

7. Neither the Developer nor any other subsequent landowner in the Development has any personal obligation to pay the Series 2021 Assessments. As described herein, the Series 2021 Assessments are an imposition against the land only. Neither the Developer nor any other subsequent landowner is a guarantor of payment of any Series 2021 Assessment and the recourse for the failure of the Developer or any other landowner to pay the Series 2021 Assessments is limited to the collection proceedings against the land as described herein.

8. The willingness and/or ability of an owner of benefited land to pay the Series 2021 Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the County or any other local special purpose or general purpose governmental entities. County, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Series 2021 Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District, could, without the consent of the owners of the land within the District, impose additional taxes on the property within the District. The District anticipates imposing operation and maintenance assessments encumbering the same property encumbered by the Series 2021 Assessments. In addition, lands within the District may also be subject to assessments by property and homeowners' associations.

9. The Series 2021 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2021 Bonds in the event an Owner thereof determines to solicit purchasers of the Series 2021 Bonds. The Series 2021 Bonds are being sold pursuant to exemptions from registration under applicable securities laws. No secondary market may develop and an owner may not be able to resell the Series 2021 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2021 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2021 Bonds, depending on the progress of development of the Development and the lands within the Development, existing real estate and financial market conditions and other factors.

10. In addition to legal delays that could result from bankruptcy or legal proceedings contesting an ad valorem tax or non-ad valorem assessment, the ability of the District to enforce collection of delinquent Series 2021 Assessments will be dependent upon various factors, including the delay inherent in any judicial proceeding to enforce the lien of the Series 2021 Assessments and the value of the land which is the subject of such proceedings and which may be subject to sale. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2021 BONDS" herein. If the District has difficulty in collecting the Series 2021 Assessments, the 2021 Reserve Account could be rapidly depleted and the ability of the District to pay debt service would be materially adversely affected. In addition, during an Event of Default under the Indenture, the Trustee may withdraw moneys from the 2021 Reserve Account and such other Funds, Accounts and subaccounts created under the Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the 2021 Reserve Account is accessed for such purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2021 Assessments in order to provide for the replenishment of the Series 2021 Reserve Account.

11. The value of the land within the District, the success of the development of the Development and the likelihood of timely payment of principal and interest on the Series 2021 Bonds could be affected by environmental factors with respect to the land in the District. Should the land be contaminated by hazardous materials, this could materially and adversely affect the value of the land in the District, which could materially and adversely affect the success of the development of the lands within the Development and the likelihood of the timely payment of the Series 2021 Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. Based on the environmental site assessments described in “THE DEVELOPMENT – Environmental,” the Developer is not aware of any condition with respect to the Development which currently requires, or is reasonably expected to require in the foreseeable future, investigation or remediation under any applicable federal, state or local governmental laws or regulations relating to the environment. See “THE DEVELOPMENT – Environmental” for more information on the environmental site assessments. Nevertheless, it is possible that hazardous environmental conditions could exist within the District and that such conditions could have a material and adverse impact upon the value of the benefited lands within the Development and no assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future whether originating within the District or from surrounding property, and what effect such may have on the development of the Development.

12. If the District should commence a foreclosure action against a landowner for nonpayment of Series 2021 Assessments and if the Series 2021 Assessments are not being collected pursuant to the Uniform Method, such landowners and any other lien holders, including mortgagees under recorded mortgage instruments, may raise affirmative defenses to such foreclosure action, which although such affirmative defenses would likely be proven to be without merit, could result in delays in completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Series 2021 Bondholders to allow funds on deposit under the Indenture to be used to pay the costs of the foreclosure action. Under the Code, there are limitations on the amounts of Series 2021 Bond proceeds that can be used for such purpose.

13. Under Florida law, a landowner may contest the assessed valuation determined for its property which forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a Tax Certificate under the Uniform Method will be suspended. If the Series 2021 Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to the Series 2021 Assessment even though the landowner is not contesting the amount of Series 2021 Assessments. However, Section 194.014, Florida Statutes, requires taxpayers challenging the assessed value of their property to pay all non-ad valorem taxes and at least 75% of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. In the event a taxpayer fails to pay their property taxes, the Value Adjustment Board is required to deny their petition by written decision by April 20 of such year.

14. The Internal Revenue Service (the “IRS”) routinely examines bonds issued by state and local governments, including bonds issued by community development districts. In 2016, the IRS conducted a lengthy examination of certain issues of bonds (for purposes of this subsection, the “Audited Bonds”) issued by Village Center Community Development District (the “Village Center CDD”). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum (“TAM”) concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS’s conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a “proper issuer of tax-exempt bonds” and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations require that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department (“Treasury”) announced that it will withdraw the proposed regulations, stating that, “while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS believed that these proposed regulations should be withdrawn in their entirety.” On October 20, 2017 a notice of withdrawal was published in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues.

It has been reported that the IRS has closed audits of other community development districts in Florida with no change to such districts' bonds' tax-exempt status, but has advised such districts that such districts must have public electors within five years of the issuance of tax-exempt bonds or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the District has been established for six years and there are 250 qualified electors in the district. The District, unlike Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by resident landowners unaffiliated with the Developer. [Currently, all members of the Board of the District are employees of, or affiliated with, the Developer.][Confirm.] The Developer will certify as to its expectations as to the timing of the transition of control of the Board to qualified electors pursuant to the Act, and its expectations as to compliance with the Act by any members of the Board that they elect; thus, if the District does not reach the minimum 250 qualified electors after the sale of units to homebuyers, although the Board will continue to be elected by landowners, these landowners will be homebuyers, in the District. Such certification by the Developer does not ensure that such certification shall be determinative of, or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of the Series 2021 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable state or federal law.

Owners of the Series 2021 Bonds are advised that, if the IRS does audit the Series 2021 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2021 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2021 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2021 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2021 Bonds would adversely affect the availability of any secondary market for the Series 2021 Bonds. Should interest on the Series 2021 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2021 Bonds be required to pay income taxes on the interest received on such Series 2021 Bonds and related penalties, but because the interest rate on such Series 2021 Bonds will not be adequate to compensate Owners of the Series 2021 Bonds for the income taxes due on such interest, the value of the Series 2021 Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATE ON THE SERIES 2021 BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE SERIES 2021 BONDS. PROSPECTIVE PURCHASERS OF THE SERIES 2021 BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE SERIES 2021 BONDS IN THE EVENT THAT THE INTEREST ON THE SERIES 2021 BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL

SUBDIVISION FOR PURPOSES OF THE CODE AND/OR THE SECURITIES ACT (AS HEREINAFTER DEFINED).

15. In addition to a possible determination by the IRS that the District is not a political subdivision for purposes of the Code, and regardless of the IRS determination, it is possible that federal or state regulatory authorities could also determine that the District is not a political subdivision for purposes of the federal and state securities laws. Accordingly, the District and purchasers of Series 2021 Bonds may not be able to rely on the exemption from registration under the Securities Act of 1933, as amended (the "Securities Act"), relating to securities issued by political subdivisions. In that event the Owners of the Series 2021 Bonds would need to ensure that subsequent transfers of the Series 2021 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act.

16. Various proposals are mentioned from time to time by members of the Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United States. In addition, the IRS may, in the future, issue rulings that have the effect of changing the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have the effect of diminishing the value of obligations of states and their political subdivisions, such as the Series 2021 Bonds, by eliminating or changing the tax-exempt status of interest on certain of such bonds. Whether any of such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the Series 2021 Bonds, cannot be predicted. However, it is possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the Series 2021 Bonds. See also "TAX MATTERS."

17. There can be no assurance, in the event the District does not have sufficient moneys on hand to complete the 2021 Project, that the District will be able to raise through the issuance of bonds, or otherwise, the moneys necessary to complete the 2021 Project. Further, pursuant to the First Supplemental Indenture, the District will covenant not to issue any other Bonds or other debt obligations secured by Series 2021 Assessments levied against the assessable lands within the District to finance any capital project unless the Series 2021 Assessments are Substantially Absorbed. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2021 BONDS – Additional Obligations" for more information. The Developer will enter into a completion agreement with the District with respect to any unfinished portions of the 2021 Project not funded with the proceeds of the Series 2021 Bonds, but there is no assurance that the Developer will have sufficient resources to complete the 2021 Project. The Developer will also execute and deliver to the District a collateral assignment agreement, pursuant to which the Developer will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the Developer, development rights relating to the 2021 Project. See "THE 2021 PROJECT" and "THE DEVELOPMENT" herein for more information.

18. It is impossible to predict what new proposals may be presented regarding ad valorem tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. On October 31, 2014, the Auditor General of the State released a 31-page report which requests legislative action to establish parameters on the amount of bonds a community

development district may issue and provide additional oversight for community development district bonds. This report renews requests made by the Auditor General in 2011 that led to the Governor of the State issuing an Executive Order on January 11, 2012 (the “Executive Order”) directing the Office of Policy and Budget in the Executive Office of the Governor (“OPB”) to examine the role of special districts in the State. As of the date hereof, the OPB has not made any recommendations pursuant to the Executive Order nor has the Florida legislature passed any related legislation. It is impossible to predict with certainty the impact that any future legislation will or may have on the security for the Series 2021 Bonds. It should be noted that Section 190.016(14) of the Act provides in pertinent part that “The state pledges to the holders of any bonds issued under the Act that it will not limit or alter the rights of the district to levy and collect the ... assessments... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not impair the rights or remedies of such holders.”

19. In the event a bank forecloses on property because of a default on the mortgage and then the bank itself fails, the Federal Deposit Insurance Corporation (the “FDIC”), as receiver will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Series 2021 Assessments. In addition, the District would be required to obtain the consent of the FDIC prior to commencing a foreclosure action.

20. The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties’ digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of debt service on the Series 2021 Bonds.

21. In addition to the general economic conditions discussed above, the timely and successful completion of the Development and the construction and sale of residential units therein may be adversely impacted by the spread of the novel strain of coronavirus called COVID-19 or by other highly contagious or epidemic or pandemic diseases. Although it is unclear at this time what, if any, potential impacts COVID-19 may have on the Development, it is possible that construction delays, delays in the receipt of permits or other government approvals or other delays could occur as a result of COVID-19 that adversely impact the Development. Further, while the effects of COVID-19 may be temporary, it may alter the future behavior of businesses and people in a manner that could have negative impacts on global and local economies, which could adversely impact the completion of the Development and/or the successful construction and sale of homes in the Development.

22. In addition to being subject to optional and mandatory sinking fund redemptions, the Series 2021 Bonds are subject to extraordinary mandatory redemption as a result of prepayments of the Series 2021 Assessments by the Developer or subsequent owners of the property within the Development. Any such redemptions of the Series 2021 Bonds would be at the principal amount of such Series 2021 Bonds being redeemed plus accrued interest to the date of redemption. In such event, owners of the Series 2021 Bonds may not realize their anticipated

rate of return on the Series 2021 Bonds and owners of any Premium Bonds (as defined herein) may receive less than the price they paid for the Series 2021 Bonds. See “DESCRIPTION OF THE SERIES 2021 BONDS – Redemption Provisions” and “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2021 BONDS – Prepayment of Series 2021 Assessments” herein for more information.

THE DISTRICT

General

[Language to be confirmed/updated by District Council] The District is an independent local unit of special-purpose government of the State created in accordance with the provisions of the Act by Ordinance No. 79-20 duly enacted by the City Council of the City of Cape Coral, Florida (the “City”) effective on December 14, 2020 (the “Ordinance”). The boundaries of the District include approximately 184.82+/- gross acres of land (the “District Lands”) located entirely within the boundaries of the City in Lee County, Florida (the “County”). The District is being developed as a residential community known as “[Stonewater]” (the “Development”) and is planned to contain approximately 327 single-family units at build-out. See “THE DEVELOPMENT” herein for more information.

Legal Powers and Authority

The District is an independent unit of local government created pursuant to, and established in accordance with the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter.

Among other provisions, the Act gives the District’s Board of Supervisors the authority to, among other things, (a) finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems, facilities, and basic infrastructure for, among other things: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges; (ii) water supply, sewer and waste-water management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system; (iii) District roads equal to or exceeding the specifications of the county in which such District roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines; (iv) conservation areas, mitigation areas, and wildlife habitat; (v) any other project, facility, or service required by a development approval, interlocal agreement, zoning condition, or permit issued by a governmental authority with jurisdiction in the District, and (vi) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses, and security; (b) borrow money and issue bonds of the District; (c) impose and foreclose special assessments liens as provided in the Act; and (d) exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

The Act does not empower the District to adopt and enforce any land use plans or zoning ordinances and the Act does not empower the District to grant building permits. These functions

are to be performed by general purpose local governments having jurisdiction over the lands within the District.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens.

Board of Supervisors

The Act provides that a five-member Board of Supervisors (the "Board") serves as the governing body of the District. Members of the Board (the "Supervisors") must be residents of the State and citizens of the United States. Initially, the Supervisors were appointed in the Ordinance. Within 90 days after formation of the District, an election was held pursuant to which new Supervisors were elected on an at-large basis by the owners of the property within the District. Ownership of land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number). A Supervisor serves until expiration of his or her term and until his or her successor is chosen and qualified. If, during a term of office, a vacancy occurs, the remaining Supervisors may fill the vacancy by an appointment of an interim Supervisor for the remainder of the unexpired term.

At the initial election held within 90 days after formation of the District, the landowners in the District elected two Supervisors to four-year terms and three Supervisors to two-year terms. Thereafter, the elections take place every two years, with the first such election being held on the first Tuesday in November, and subsequent elections being held on a date in November established by the Board. Upon the later of six years after the initial appointment of Supervisors and the year when the District next attains at least 250 qualified electors, Supervisors whose terms are expiring will begin to be elected (as their terms expire) by qualified electors of the District. A qualified elector is a registered voter who is at least eighteen years of age, a resident of the District and the State and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, each elected to four-year terms. The seat of the remaining Supervisor whose term is expiring at such election shall be filled by a Supervisor who is elected by the landowners for a four-year term and who is not required to be a qualified elector. Thereafter, as terms expire, all Supervisors must be qualified electors and must be elected by qualified electors to serve staggered four-year terms.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The Act provides that it shall not be an impermissible conflict of interest under Florida law governing public officials for a Supervisor to be a stockholder, officer or employee of a landowner or of any entity affiliated with a landowner.

The current members of the Board and the expiration of the term of each member are set forth below:

<u>Name</u>	<u>Title</u>	<u>Term Expires</u>
Landon Thomas*	Chairperson	November 2022
J Wayne Everett*	Vice-Chairperson	November 2024
Chris Quarles*	Assistant Secretary	November 2024
Mark Brumfield*	Assistant Secretary	November 2022
Gary Barlow*	Assistant Secretary	November 2022

[* Employee of, or affiliated with, the Developer.][Confirm.]

A majority of the members of the Board constitutes a quorum for the purposes of conducting its business and exercising its powers and for all other purposes. Action taken by the Board shall be upon a vote of a majority of the members present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under Florida's open meeting or "Sunshine" law.

The District Manager and Other Consultants

The chief administrative official of the District is the District Manager (as hereinafter defined). The Act provides that a district manager shall have charge and supervision of the works of the District and shall be responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board.

The District has retained Wrathell, Hunt & Associates, LLC, to serve as its district manager (the "District Manager"). The District Manager's office is located at 2300 Glades Road, Suite 410W, Boca Raton, Florida 33431.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of KE Law Group, PLLC, Tallahassee, Florida, as District Counsel; Akerman LLP, Jacksonville, Florida, as Bond Counsel and Barraco and Associates, Inc., as District Engineer. The Board has also retained the District Manager to serve as Methodology Consultant.

No Prior Indebtedness

The District has not previously issued any bonds or other debt obligations.

THE 2021 PROJECT

Barraco and Associates, Inc. (the “District Engineer”) prepared a report entitled Master Engineer’s Report for Stonewater Community Development District, dated February 25, 2021 (the “Engineer’s Report”), which sets out certain public infrastructure improvements for the development of the 327 residential units planned for the Development (the “2021 Project”). The District Engineer estimates the total cost of the 2021 Project to be approximately \$10,913,008, as more particularly described below.

The District is issuing its Series 2021 Bonds to finance a portion of the 2021 Project. The Series 2021 Bonds will be secured by the Series 2021 Assessments which will initially be levied on the 184.82+/- acres of land which comprise the District. As lots are platted, the Series 2021 Assessments will be assigned to the 327 single-family residential lots planned for the District on a first platted, first assigned basis as set forth in the Assessment Methodology attached hereto. See “APPENDIX E – ASSESSMENT METHODOLOGY” attached hereto and “THE DEVELOPMENT – Taxes, Fees & Assessments” herein for more information.

The Development is being developed in two phases with 201 lots in Phase One and 126 lots in Phase Two. Phase One is substantially developed and platted, with partial paving, landscape/irrigation and gates/fences remaining to be completed. Phase Two is under development with clearing and mass grading complete, and utility installation underway. Land development for all 327 lots planned for the Development is expected to be completed by October 2022. The Developer has spent approximately \$4,500,000 toward land development to date, a portion of which includes the 2021 Project.

The net proceeds of the Series 2021 Bonds available to fund the 2021 Project will be approximately \$[6.24 million]*[Confirm.]. The Developer will enter into the Completion Agreement that will obligate the Developer to complete any portions of the 2021 Project not funded with proceeds of the Series 2021 Bonds. See “SECURITY FOR AND SOURCE OF

PAYMENT OF THE SERIES 2021 BONDS – Developer Agreements” and “BONDOWNERS’ RISKS – No. 17” herein for more information.

The District Engineer has indicated that all engineering permits necessary to construct the 2021 Project that are set forth in the Engineer’s Report have been obtained or will be obtained in the ordinary course of business. In addition to the Engineer’s Report, please refer to “THE DEVELOPMENT – Zoning and Development Approvals” for a more detailed description of the entitlement and permitting status of the Development.

See “APPENDIX A – ENGINEER’S REPORT” for more information regarding the above improvements.

The information appearing below under the captions “THE DEVELOPMENT” and “THE DEVELOPER” has been furnished by the Developer for inclusion in this Limited Offering Memorandum and, although believed to be reliable, such information has not been independently verified by Bond Counsel, the District or its counsel, or the Underwriter or its counsel, and no persons other than the Developer make any representation or warranty as to the accuracy or completeness of such information supplied by them. The following information is provided by the Developer as a means for the prospective bondholders to understand the anticipated development plan and risks associated with the Development. The Developer is not guaranteeing payment of the Series 2021 Bonds or the Series 2021 Assessments.

THE DEVELOPMENT

General

The District encompasses approximately 184.82+/- gross acres of land entirely within the boundaries of the City of Cape Coral (the “City”) in Lee County, Florida (the “County”) and contains the master planned residential community known as [“Stonewater”] (the “Development”). At buildout, the Development is planned for approximately 327 single-family units. The Development is located 6 miles west of US Highway 41 and 14 miles west of I-75. The Development borders the western boundary of Mariner Middle and High Schools, south of Tropicana Parkway and east of Nelson Road.

The District is issuing its Series 2021 Bonds to finance a portion of the public infrastructure improvements associated with the development of the 327 residential units planned for the Development. The Series 2021 Bonds will be secured by the Series 2021 Assessments which will initially be levied on the 184.82+/- acres of land which comprise the District. As lots are platted, the Series 2021 Assessments will be assigned to the 327 single-family residential lots planned for the District on a first platted, first assigned basis as set forth in the Assessment Methodology attached hereto. See “APPENDIX E – ASSESSMENT METHODOLOGY” attached hereto and “THE DEVELOPMENT – Taxes, Fees & Assessments” herein for more information.

D.R Horton, Inc., a Delaware corporation (the “Developer”), is the owner of the lands within the District and is the developer and homebuilder of the Development. See “THE DEVELOPER” herein for more information.

The Development is expected to attract primarily retirees and empty-nesters. The Development will contain single-family product types on 50’ wide lots. Starting selling prices for single-family homes are expected to range from approximately \$300,000 to \$375,000 and range in square feet from approximately 1,600 square feet to 2,300 square feet. See “—Residential Product Offerings” below for more information.

Land Acquisition and Finance Plan

The Developer acquired the lands comprising the District in November 2020 for approximately \$6,673,000. There are no mortgages on the lands within the District.

Total land development costs associated with the 327 lots planned for the Development are approximately \$14,000,000. The Developer has spent approximately \$4,500,000 to date toward land development activity inclusive of hard and soft costs, a portion of which includes the 2021 Project. The net proceeds of the Series 2021 Bonds available to fund the 2021 Project will be approximately \$[6.24 million]*[Confirm.]. The Developer will enter into the Completion Agreement that will obligate the Developer to complete any portions of the 2021 Project not funded with proceeds of the Series 2021 Bonds. See “BONDOWNERS’ RISKS – No. 17” herein.

Development Plan/Status

Land development for the Development commenced in December 2020 and is being completed in two phases. Phase One is planned for 201 single-family lots and is substantially developed and platted, with partial paving, landscape/irrigation and gates/fences remaining to be completed. Phase Two is planned for 126 single-family lots and is under development with clearing and mass grading complete, and final completion expected by October 2022. The final plat for the 32 lots within the Development was recorded June 23, 2021.

The Development has an on-site sales center that will open in November 2021. The Development is expected to contain one fully constructed model home. Sales are expected to commence in November 2021, when the model home is open. Vertical construction is expected to commence in September 2021, with home closings expected to commence by February 2021.

The Developer anticipates closing approximately 10 units per month until build out which is expected by August 2024. This anticipated absorption is based upon estimates and assumptions made by the Developer that are inherently uncertain, though considered reasonable by the Developer, and are subject to significant business, economic, and competitive uncertainties and contingencies, all of which are difficult to predict and many of which are beyond the control of the Developer. As a result, there can be no assurance such absorption rate will occur or be realized in the time frame anticipated.

Residential Product Offerings

The target customers are primary homebuyers and retirees. Below is a summary of the types of units and price points for units in the Development.

<u>Product Type</u>	<u>Square Footage</u>	<u>Beds/Baths</u>	<u>Price Range</u>
Single-Family	1,600-2,300	2-3 Bedrooms, 2-3 Baths	\$300,000- \$375,000

* Preliminary, subject to change.

Zoning and Development Approvals

The land within the District, including, without limitation, the land therein subject to the Series 2021 Assessments, is zoned to allow for the contemplated residential uses described herein. All permits have been received by jurisdictional agencies to allow for the development contemplated herein or are reasonably expected to be received in the ordinary course.

Environmental

A Phase I Environmental Site Assessment was prepared by Tetra Tech, dated _____, 2019 (the “ESA”), covering the lands within the Development. The ESA revealed no recognized environmental conditions in connection with the Development. See “BONDOWNERS’ RISK - No. 11” herein for more information regarding potential environmental risks. [Please provide a copy.]

Amenities

The Development is expected to contain an approximately 1,668 square foot fitness building (1,404 square feet under air conditioning), including a resort style pool and cabana, pickleball courts, BBQ area, and tot lot (the “Amenity”). Construction of the Amenity is expected to commence by December 2021 and is expected to be completed by August 2022 at a total approximate cost of \$1,500,000. The Amenity is owned by the Stonewater Homeowners Association, Inc. and is available for use only by residents of the Development.

Utilities

All “will serve” letters have been provided for utility services in connection with the Development. Potable water and wastewater treatment for the Development will be provided by the City of Cape Coral Utilities Department. Electric power will be provided by Lee County Electric Co-Operative. Cable television and broadband cable services will be provided by DSI Communications.

Taxes, Fees and Assessments

As set forth in the Assessment Methodology, the Series 2021 Assessments will initially be levied on the 184.82+/- gross acres of land comprising the District until such as time the lots are platted. As lots are platted, the Series 2021 Assessments will be assigned to the 327 single-family residential lots planned for the District on a first platted, first assigned basis as set forth in the Assessment Methodology attached hereto. Assuming that all of the 327 single-family residential units are developed and platted, then the Series 2021 Assessments will be allocated on a per unit basis below and as set forth in the Assessment Methodology. See “APPENDIX E – ASSESSMENT METHODOLOGY” herein.

Product Type	Number of Units	Estimated Annual Series 2021 Assessments Per Unit**	Estimated Series 2021 Bonds Par Debt Per Unit*
Single-Family	327	\$1,200.00	\$21,529.00

* Preliminary, subject to change.

** This amount will be grossed up to include early payment discounts of 4% and County collection fees.

The District anticipates levying assessments to cover its operation and maintenance costs that will initially be approximately \$306 per residential unit annually; which amount is subject to change. In addition, residents will be required to pay homeowners' association fees and an amenity fee which currently are estimated initially to be approximately \$100 per residential unit monthly, which amount is subject to change. The District has no control over the level of homeowners' association fees and amenity fees levied by the homeowners' association. The land within the District has been and is expected to continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District for 2020 was approximately 18.0967 mills, which millage rate is subject to change. These taxes would be payable in addition to the Series 2021 Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of Lee County, Florida each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year.

Education

Students in elementary school are expected to attend Cape Elementary School, which was rated "B" by the Florida Department of Education for 2019. Students in middle school are expected to attend Mariner Middle School, which was rated "C" by the Florida Department of Education for 2019. Students in high school are expected to attend Mariner High School, which was rated "C" by the Florida Department of Education for 2019. There are also several private and charter school alternatives in the vicinity of the Development.

Pursuant to Florida Department of Education Emergency Order No. 2020-EO-1, spring K-12 statewide assessment test administrations for the 2019-2020 school year were canceled and accountability measures reliant on such data were not calculated for the 2019-2020 school year.

Competition

Entrada, Magnolia Landing, and Crane Landing have been identified as the primary competitive projects to the Development.

This section does not purport to summarize all of the existing or planned communities in the area of the Development, but rather provide a description of those that the Developer feels pose primary competition to the Development.

THE DEVELOPER

D.R. Horton, Inc. (the "Developer") owns all of the assessable lands in the Development. The Developer is a Delaware corporation whose stock trades on the New York Stock Exchange under the symbol DHI. The Developer is subject to the informational requirements of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and in accordance therewith files reports, proxy statements and other information, including financial statements, with the Securities

and Exchange Commission (the “SEC”). The SEC file number for the Developer is No-1-14122. Such reports, proxy statements, and other information can be inspected and copied at the Public Reference Section of the SEC, Room 100 F Street, N.E., Washington, D.C. 20549 and at the SEC’s internet website <http://www.sec.gov>. Copies of such materials can be obtained by mail from the Public Reference Section of the SEC at prescribed rates. All documents subsequently filed by the Developer pursuant to the requirements of the Exchange Act after the date of this Limited Offering Memorandum will be available for inspection in the same manner as described above.

The Developer is not guaranteeing payment of the Series 2021 Bonds or payment of the Series 2021 Assessments

ASSESSMENT METHODOLOGY

The Master Special Assessment Methodology Report dated August 21, 2021, as may be further supplemented from time to time (the “Master Methodology”), and as supplemented by the Supplemental Special Assessment Methodology Report to be dated the sale date of the Series 2021 Bonds (the “Supplemental Methodology” and, together with the Master Methodology, “Assessment Methodology”) describes the methodology for allocation of the Series 2021 Assessments to the assessable lands within the District benefiting from the 2021 Project, and has been prepared by Wrathell, Hunt & Associates, LLC (the “Methodology Consultant”). See “EXPERTS” herein for more information. The Assessment Methodology is included herein as APPENDIX E. Once the final terms of the Series 2021 Bonds are determined, the Supplemental Methodology will be amended to reflect such final terms. Once levied and imposed, the Series 2021 Assessments are a first lien on the land against which assessed until paid or barred by operation of law, co-equal with other taxes and assessments levied by the District and other non-federal units of government. See “ENFORCEMENT OF ASSESSMENT COLLECTIONS” herein.

As set forth in the Assessment Methodology, the Series 2021 Assessments will initially be levied on the 184.82+/- gross acres of land comprising the District until such as time the lots are platted. As lots are platted, the Series 2021 Assessments will be assigned to the 327 single-family residential lots planned for the District on a first platted, first assigned basis as set forth in the Assessment Methodology attached hereto. Assuming that all of the 327 single-family residential units are developed and platted, then the Series 2021 Assessments will be allocated on a per unit basis below and as set forth in the Assessment Methodology. See “APPENDIX E – ASSESSMENT METHODOLOGY” herein.

Product Type	Number of Units	Estimated Annual Series 2021 Assessments Per Unit**/*	Estimated Series 2021 Bonds Par Debt Per Unit*
Single-Family	327	\$1,200.00	\$21,529.00

* Preliminary, subject to change.

** This amount is grossed up to include early payment discounts of 4% and County collection fees.

To ensure that each residential lot in the District is assessed no more than its pro-rata amount of special assessments, the Assessment Methodology sets forth a “true-up mechanism” whereby, generally stated, a “true-up” payment will be owed in the event that debt levels remaining

on unplatted lands in the District increase above the maximum debt levels set forth in the Assessment Methodology. The Developer is expected to enter into a true-up agreement in connection with its obligations to pay any requisite true-up payments. See “APPENDIX E – ASSESSMENT METHODOLOGY” herein for additional information regarding the “true-up mechanism”.

TAX MATTERS

The Internal Revenue Code of 1986, as amended (the “Code”), includes requirements which the District must continue to meet after the issuance of the Series 2021 Bonds in order that interest on the Series 2021 Bonds not be included in gross income for federal income tax purposes. The failure by the District to meet these requirements may cause interest on the Series 2021 Bonds to be included in gross income for federal income tax purposes retroactively to their date of issuance. The District has covenanted to comply with the requirements of the Code in order to maintain the excludability of interest on the Series 2021 Bonds from gross income for federal income tax purposes.

In the opinion of Akerman LLP, Bond Counsel, the proposed form of which is included as Appendix C hereto, under existing statutes, regulations, published rulings and court decisions and assuming continuing compliance with certain covenants and the accuracy of certain representations, (i) interest on the Series 2021 Bonds is excludable from gross income for federal income tax purposes under Section 103 of the Code, (ii) interest on the Series 2021 Bonds will not be a specific preference item for purposes of the federal alternative minimum tax, and (iii) the Series 2021 Bonds and the interest thereon will not be subject to taxation under the laws of the State, except estate taxes and taxes under Chapter 220, Florida Statutes, as amended.

Prospective purchasers of the Series 2021 Bonds should be aware that ownership of, accrual or receipt of interest on or disposition of tax-exempt obligations, such as the Series 2021 Bonds, may have additional federal income tax consequences for certain taxpayers, including, without limitation, recipients of certain Social Security and certain Railroad Retirement benefits, taxpayers that may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations, and certain S corporations.

Bond Counsel expresses no opinion regarding any federal tax consequences other than its opinion with regard to the exclusion of interest on the Series 2021 Bonds from gross income pursuant to Section 103 of the Code and the treatment of interest for purposes of the federal alternative minimum tax. Prospective purchasers of the Series 2021 Bonds should consult their tax advisors with respect to all other tax consequences (including, but not limited to, those listed above) of holding the Series 2021 Bonds. Prospective purchasers of the Series 2021 Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

The opinion on federal tax matters will be based on and will assume the accuracy of certain representations and certifications and compliance with certain covenants of the District to be contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Series 2021 Bonds are and will remain obligations the interest on

which is excluded from gross income for federal income tax purposes. Bond Counsel will not independently verify the accuracy of these certifications and representations.

Bond Counsel's opinion is based on existing law, which is subject to change. Moreover, Bond Counsel's opinion is not a guarantee of a particular result, and is not binding on the Internal Revenue Service or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

Interest on the Series 2021 Bonds may be subject to state or local income taxation under applicable state or local laws in other jurisdictions. Purchasers of the Series 2021 Bonds should consult their tax advisors as to the income tax status of interest on the Series 2021 Bonds, in their particular state or local jurisdictions.

During recent years, legislative proposals have been introduced in Congress, and in some cases enacted, that altered certain federal tax consequences resulting from the ownership of obligations that are similar to the Series 2021 Bonds. In some cases these proposals have contained provisions that altered these consequences on a retroactive basis. Such alteration of federal tax consequences may have affected the market value of obligations similar in nature to the Series 2021 Bonds. From time to time, legislative proposals may be introduced which could have an effect on both the federal tax consequences resulting from the ownership of the Series 2021 Bonds and their market value. No assurance can be given that any such legislative proposals, if enacted, would not apply to, or would not have an adverse effect upon, the Series 2021 Bonds. Prospective purchasers of the Series 2021 Bonds should consult their tax advisors as to the impact of any pending or proposed legislation. Bond Counsel has not undertaken to advise in the future whether any events after the date of issuance of the Series 2021 Bonds may affect the tax status of interest on the Series 2021 Bonds.

Original Issue Discount

Under the Code, the difference between the maturity amount of the Series 2021 Bonds maturing on May 1, 20__ (the "Discount Bonds"), and the initial offering price to the public, excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers, at which price a substantial amount of the Discount Bonds of the same maturity and if applicable, interest rate, was sold is "original issue discount." For federal income tax purposes, original issue discount will accrue over the term of the Discount Bonds at a constant interest rate compounded on each interest payment date (or over a shorter permitted compounding interval selected by the Owner). A purchaser who acquires the Discount Bonds in the initial offering at a price equal to the initial offering price thereof to the public will be treated as receiving an amount of interest excludable from gross income for federal income tax purposes equal to the original issue discount accruing during the period he or she holds the Discount Bonds subject to the same considerations discussed above and will increase his or her adjusted basis in the Discount Bonds by the amount of such accruing discount for purposes of determining taxable gain or loss on the sale or disposition of the Discount Bonds. The federal income tax consequences of the purchase, ownership and redemption, sale or other disposition of the Discount Bonds which are not purchased in the initial offering at the initial offering price may be determined according to rules which differ from those above. Bondholders of the Discount Bonds should consult their

own tax advisors with respect to the precise determination for federal income tax purposes of interest accrued upon sale, redemption or other disposition of the Discount Bonds and with respect to the state and local tax consequences of owning and disposing of the Discount Bonds.

Original Issue Premium

The difference between the principal amount of the Series 2021 Bonds maturing on May 1, 20__ (the “Premium Bonds”) and the initial offering price to the public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at which price a substantial amount of such Premium Bonds of the same maturity was sold constitutes to an initial purchaser amortizable bond premium which is not deductible from gross income for federal income tax purposes. The amount of amortizable bond premium for a taxable year is determined actuarially on a constant interest rate basis over the term of each Premium Bond, or in the case of certain of the Premium Bonds that are callable prior to maturity, the amortization period and yield must be determined on the basis of the earliest call date that results in the lowest yield on such Premium Bond. For purposes of determining gain or loss on the sale or other disposition of a Premium Bond, an initial purchaser who acquires such obligation in the initial offering to the public at the initial offering price is required to decrease such purchaser’s adjusted basis in such Premium Bond annually by the amount of amortizable bond premium for the taxable year. The amortization of bond premium may be taken into account as a reduction in the amount of tax-exempt income for purposes of determining various other tax consequences of owning such Premium Bonds. Owners of the Premium Bonds are advised that they should consult with their own advisors with respect to the state and local tax consequences of owning such Premium Bonds.

AGREEMENT BY THE STATE

Under the Act, the State pledges to the holders of any bonds issued thereunder, including the Series 2021 Bonds, that it will not limit or alter the rights of the issuer of such bonds, including the District, to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the projects, including the 2021 Project, subject to the Act or to levy and collect taxes, assessments, rentals, rates, fees and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

LEGALITY FOR INVESTMENT

The Act provides the Series 2021 Bonds are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State, and constitute securities that may be deposited by banks or trust companies as security for deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

SUITABILITY FOR INVESTMENT

In accordance with applicable provisions of Florida law, the Series 2021 Bonds may initially be sold by the District only to “Accredited Investors” within the meaning of Chapter 517, Florida Statutes, and the rules of the Florida Department of Financial Services promulgated

thereunder. The limitation of the initial offering to “Accredited Investors” does not denote restrictions of transfer in any secondary market for the Series 2021 Bonds. Investment in the Series 2021 Bonds poses certain economic risks. No dealer, broker, salesperson or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum.

The Series 2021 Bonds will be issued in fully registered form, without coupons, in authorized denominations of \$5,000 and any integral multiple thereof, provided, however, if any initial beneficial owner of Series 2021 Bonds does not purchase at least \$100,000 of the Series 2021 Bonds at the time of initial delivery of the Series 2021 Bonds, such beneficial owner must execute and deliver to the District and the Underwriter on the date of delivery of the Series 2021 Bonds the investor letter in the form attached to the Indenture or otherwise establish to the satisfaction of the Underwriter that such beneficial owner is an “accredited investor,” as described in Rule 501(a) under Regulation D of the Securities Act of 1933, as amended.

ENFORCEABILITY OF REMEDIES

The remedies available to the owners of the Series 2021 Bonds upon an event of default under the Indenture are in many respects dependent upon judicial actions, which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Series 2021 Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2021 Bonds will be qualified as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery.

FINANCIAL STATEMENTS

Since its creation, the limited expenses of the District have been funded entirely by voluntary contributions from the Developer and any prior primary landowners. Therefore, as of the date of this Limited Offering Memorandum, the financial statements of the District would not contain any information material to an investment decision with respect to the Series 2021 Bonds.

The District will covenant in the Disclosure Agreement (as defined below), the form of which is set forth in APPENDIX D hereto to provide its annual audit to the Municipal Securities Rulemaking Board’s (“MSRB”) Electronic Municipal Markets Access repository (“EMMA”) as described in APPENDIX D.

Beginning October 1, 2015, each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, Florida Statutes, as amended. Under such statute, each district must post its proposed budget, final budget, most recent final audit report and a link to the Department of Financial Services’ website on the district website. [The District currently has a website in place and is presently in compliance with the statutory guidelines required by Section 189.069, Florida Statutes, as amended.][Confirm.]

LITIGATION

The District

There is no litigation against the District of any nature now pending or, to the knowledge of the District threatened against the District, seeking to restrain or enjoin the issuance, sale, execution or delivery of the Series 2021 Bonds, or in any way contesting or affecting (i) the validity of the Series 2021 Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys or security provided for the payment of the Series 2021 Bonds, (iii) the existence or powers of the District or (iv) the validity of the Assessment Proceedings.

The Developer

The Developer will represent to the District that there is no litigation of any nature now pending or, to the knowledge of the Developer, threatened, which could reasonably be expected to have a material and adverse effect upon the ability of the Developer to complete the development of the Development as described herein, materially and adversely affect the ability of the Developer to pay the Series 2021 Assessments imposed against the land within the District owned by the Developer or materially and adversely affect the ability of the Developer to perform its various obligations described in this Limited Offering Memorandum.

NO RATING

No application for a rating of the Series 2021 Bonds has been made to any rating agency, nor is there any reason to believe that the District would have been successful in obtaining an investment grade rating for the Series 2021 Bonds had an application been made.

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Rule 69W-400.003, Rules of Government Securities under Section 517.051(1), Florida Statutes, promulgated by the Florida Department of Financial Services, Office of Financial Regulation, Division of Securities and Finance (“Rule 69W-400.003”), requires the District to disclose each and every default as to the payment of principal and interest with respect to obligations issued or guaranteed by the District after December 31, 1975. Rule 69W-400.003 further provides, however, that if the District, in good faith, believes that such disclosures would not be considered material by a reasonable investor, such disclosures may be omitted. The District has not previously issued any bonds or other debt obligations. Accordingly, the District is not and has never been in default as to principal or interest on its bonds or other debt obligations.

CONTINUING DISCLOSURE

The District and the Developer will enter into a Continuing Disclosure Agreement (the “Disclosure Agreement”), the proposed form of which is set forth in APPENDIX D, for the benefit of the Series 2021 Bondholders (including owners of beneficial interests in such Series 2021 Bonds), to provide certain financial information and operating data relating to the District and the Development by certain dates prescribed in the Disclosure Agreement (the “Reports”) through EMMA. In addition, certain listed events must be disclosed through EMMA within a prescribed

time period. The specific nature of the information to be contained in the Reports is set forth in “APPENDIX D – PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT.” Under certain circumstances, the failure of the District or the Developer to comply with their respective obligations under the Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an event of default under the Indenture, but such event of default under the Disclosure Agreement would allow the Series 2021 Bondholders (including owners of beneficial interests in such Series 2021 Bonds), as applicable, to bring an action for specific performance.

The District has not previously entered into a continuing disclosure agreement pursuant to the Rule 15c2-12 of the Securities Exchange Act of 1934, as amended (the “Rule”). The District has appointed the District Manager to serve as the Dissemination Agent for the Series 2021 Bonds:

Also, pursuant to the Disclosure Agreement, the Developer will covenant to provide certain financial information and operating data relating to the Development and the Developer on a quarterly basis. To the best of its knowledge, the Developer has been in compliance with all prior continuing disclosure undertakings pursuant to the Rule over the previous 5 years. See “APPENDIX D – PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT.”

This Continuing Disclosure Agreement (this “Disclosure Agreement”) dated _____, 2021 is executed and delivered by the Stonewater Community Development District (the “Issuer” or the “District”), D.R. Horton, Inc., a Delaware corporation (the “Developer”) and Wrathell, Hunt and Associates, LLC, Boca Raton, Florida, as dissemination agent (together with its successors and assigns, the “Dissemination Agent”) in connection with the Issuer’s Special Assessment Revenue Bonds, Series 2021 (the “Bonds”). The Bonds are secured pursuant to a Master Trust Indenture dated as of October 1, 2021 (the “Master Indenture”) and a First Supplemental Trust Indenture dated as of October 1, 2021 (the “First Supplemental Indenture” and, together with the Master Indenture, the “Indenture”), each entered into by and between the Issuer and U.S. Bank National Association, a banking association duly organized and existing under the laws of the United States of America and having a designated corporate trust office initially in Fort Lauderdale, Florida, as trustee (the “Trustee”). The Issuer and the Developer have no reason to believe that this Disclosure Agreement does not satisfy the requirements of the Rule and the execution and delivery of this Disclosure Agreement is intended to comply with the Rule. To the extent it is later determined by a court of competent jurisdiction, a governmental regulatory agency, or an attorney specializing in federal securities law, that the Rule requires the Issuer or the Developer to provide additional information, the Issuer and the Developer, as applicable, each agrees to promptly provide such additional information.

The provisions of this Disclosure Agreement are supplemental and in addition to the provisions of the Indenture with respect to reports, filings and notifications provided for therein, and do not in any way relieve the Issuer, the Trustee or any other person of any covenant, agreement or obligation under the Indenture (or remove any of the benefits thereof) nor shall anything herein prohibit the Issuer, the Trustee or any other person from making any reports, filings or notifications required by the Indenture or any applicable law.

("HGS") and will be working for KE Law Group, PLLC ("KE Law"). Attorneys have provided services in connection with this Firm's representation of the Client on the above referenced matter(s) (the "Client Matters"). Please select one of the following alternatives:

1. ALTERNATIVE #1. The Client asks that the Client Matters be transferred to Attorneys and their new firm, KE Law. Please transfer to Attorneys and their new firm all original files and electronic files relating to the Client Matters. The Client understands that HGS will have the right to keep a copy of those files. HGS's legal representation of the Client will cease on the date of HGS's receipt of their written notice. After that date, Attorneys and their new firm, KE Law, will be responsible for legal representation of the Client in the Client Matters. To the extent that HGS is holding any trust funds or other property of the Client, HGS is further instructed to transfer such funds or property KE Law.

 7/26/21

(Please sign if you want Alternative #1; [DATE]
otherwise, do not sign on this line.)

2. **ALTERNATIVE #2.** The Client does not want any files or pending matters transferred to Attorneys or their new firm. All Client Matters and files should remain in the custody of HGS until further notice.

(Please sign if you want Alternative #2; [DATE]
otherwise, do not sign this line.)

3. If you do not want either Alternative #1 or Alternative #2, please advise us what we should do regarding your matters and files.

(Please sign here if you have [DATE]
